QUALITY

With over 30 years of experience in the automotive aftermarket industry, United Pacific Industries understands the rigors and stresses that our products are subjected to on the road. It is our mission to provide our customers with products of superior quality and reliability. In achieving this goal, United Pacific only partners with manufacturing facilities that conforms to our quality control requirements and standards. Our manufacturing partners meet or exceed ISO-9001 requirements. In addition, United Pacific's manufacturing partners must be equipped on site to perform the following quality assurance tests and maintain a track record of consistent quality and low product failure rate.

- Photometric Test
- Rain Test
- Shock Test
- Humidity Test
- Pull Force Test
- Salt Spray Test
- Temperature Test
- Vibration Test

Furthermore, our internal quality control structure allows us to function as the final quality control station prior to shipping. With the assistance of 3D computer technology, United Pacific can adhere to strict quality control standards during prototype creation and the production process. Our engineers and technicians perform a battery of tests to ensure that our products meet the demands of today's drivers and our goal to be first in quality.

INNOVATION

Known as the leader in innovation, United Pacific is dedicated to be the first to bring new and exciting products to the market. United Pacific's global expertise allows us to search the globe for new ideas and concepts. Not only do we search the globe for new products, United Pacific invest a significant amount of resources into our own research and development efforts. With the assistance of advance 3D scanning technology, our engineers and designers can acquire accurate and precise data in seconds. The 3D data allows United Pacific to verify designs, perform quality assurance tests, and reverse engineer with unprecedented speed and accuracy. Digital inspection contributes to the early detection of shape problems, provides rapid feedback on design, and eliminates unnecessary work in downstream processes. Our rapid prototyping facility permits us to have a concept-to-shelf time of less than 5 months. In addition, United Pacific's 3D printing capabilities permit our designers to have physical models of their design concepts in hours. The physical models allow our designers and marketing staff to evaluate and test the viability of different design ideas. Our rapid prototyping facility allow United Pacific to compress design cycles, improve manufacturing planning, shorten concept-to-shelf time, most importantly, generate new and innovative products.

DESIGN

Located near some of the nation's most progressive automotive design centers, United Pacific established the UP Design Studio in 2002 to consolidate our position as the design leader in the automotive industry. UP Design Studio utilizes the latest generation of computer aided design (CAD) and studio/graphic software. The design studio is equipped with the newest computers and rapid prototyping systems. In addition, UP Design Studio is staffed by graduates from the nation's most prestigious design colleges. Unlike our competitors, United Pacific's design and manufacturing capabilities mean that we carry more new and original items than our competitors. The establishment of the design studio will enable us to generate even more new products with significant shorter concept-to-shelf time. The reduction in development cost mean that we can develop products utilizing design based development processes. Design based product development allows United Pacific to create new product concepts based on designs incorporating driver demands and needs instead of economic considerations. United Pacific's emphasis on design distinguishes and positions us ahead of our competitors.

WARRANTY

With LED (Light Emitting Diodes) rated at 100,000 hours of operation and solid-state construction, United Pacific's LED lights are extremely reliable and durable. Purchase with confidence, United Pacific offers a complete line of LED lighting products with extended or limited lifetime warranties. Please see the warranty policy page for more details.

INVENTORY AND SHIPPING

United Pacific carries over 20,000 items in our California distribution center. No other company in the heavy duty trucking industry can match United Pacific in the variety and range of in-stock inventories. With an order fill rate of over 98.5%, United Pacific is the largest and most reliable supplier in the industry. Our shipping department ships 96.8% of all orders within 24 hours and 98.9% within 48 hours. United Pacific's vast inventory and prompt shipping has made United Pacific the only source for our customer's chrome and lighting needs.

40%

reduction in total energy use due to high-efficiency mechanical and lighting systems

82%

of construction waste was diverted from landfills

LEED ACCOMPLISHMENTS

Sustainable Sites

- On-site bicycle storage, showers and changing areas for company employees.
- Preferred parking for low-emitting, fuel-efficient and carpool vehicles.
- Storm water is infiltrated on-site and treated to remove contaminants to reduce environmental impact on local waterways.

Water Efficiency

- In addition to using reclaimed water, drought-tolerant plants and a high-efficiency irrigation system were installed to reduce the use of potable water for irrigation by 100%.

Energy and Atmosphere

- Efficient HVAC equipment and a lighting system with daylight controls reduces energy consumption by over 30%.
- Enhanced commission verifies that the building's energy and water-related systems are performing as intended by the initial design.

Indoor Environmental Quality

- Building ventilation systems was designed to provide enhanced levels of fresh outside air to building occupants.
- Interior finishes (plants, sealants, adhesives, coatings, carpet systems and composite wood) were selected with low levels of volatile organic compounds (VOCs) to reduce indoor air contamination.

1996-2003 Volvo VN

Blackout Projection HL W/ LED Sequential Turn And DRL

- Direct OEM replacement
- Crystal clear lens, perfect for replacing old faded headlight set
- Replacement 9007/HB5 bulbs available separately, #39127/39128
- Replacement turn signal 1157 bulbs, # 39012B
- 4 pc. Set includes 2 headlights (driver/passenger) and 2 turn signals (driver/passenger)

Item Number	Description	Package	Pack
35783	Headlight & Turn Signal Set	Box	4 Pcs./Box

1996-2003 Volvo VN

Headlight Assembly

- Headlight assembly for 1996-2003 Volvo VN series trucks
- Easy connection, plug & play design, plugs into existing headlight wiring harness
- Impact resistant polycarbonate lens provides unparalleled protection from road hazards with resistant lens
- OEM number: 3596015C93

Item Number	Description	Package	Pack
31310	Driver Side	Boxed	1 Pc./Box
31311	Passenger Side	Boxed	1 Pc./Box

International Prostar

Chrome Projection Headlight W/ LED Turn Signal

- Projection headlight w/ LED position light and unique LED turn signal
- Easy connection, plugs into existing wiring harness
- DOT/SAE, FMVSS 108
- Low beam: H7 quartz halogen bulb, 55 watt, 4.58 amps
- High beam: H1 quartz halogen bulb, 55 watt, 4.58 amps
- Operation voltage: 12VDC

Item Number	Description	Package	Pack
31175	Driver Side	Boxed	1 Pc./Box
31176	Passenger Side	Boxed	1 Pc./Box

International Prostar

Chrome Projection Headlight W/ LED Light Bar

- Chrome projection headlight w/ LED position light and unique LED turn signal
- Upgrade version: LED turn signal 31175/31176/31177/31178
- Easy connection, plugs into existing wiring harness
- Low beam: H7 quartz halogen bulb, 55 watt, 4.58 amps
- High beam: H1 quartz halogen bulb, 55 watt, 4.58 amps
- Operation voltage: 12VDC, DOT/SAE, FMVSS 108

4"x6" HEADLIGHTS

4"x6" Rectangular

Heated LED Headlight

- Features a heating system that automatically de-ices and defrosts the headlight lens when outside temperature reaches 50 degrees fahrenheit (10 celsius) or below
- Durable corrosion resistant polycarbonate lens, housing & electronics resist shock and vibration
- Easy connection fits OEM housing, plugs into existing wiring harness
- Plug & play w/ H4 style connector plug for ease of installation
- Low beam 750 lumens, 6500 kelvin color temp., 12 & 24 volts
- High beam 1000 lumens, 6500 kelvin color temp., 12 & 24 volts

Item Number	Description	Package	Pack
34135	Low Beam	Box	1 Pc./Box
34136	High Beam	Box	1 Pc./Box

4"x6" Rectangular

Heated LED Headlight - Chrome

- Features a heating system that automatically de-ices the headlight according to ambient temperature
- Durable glass lens with heavy duty aluminum housing
- Plug & play with standard H4 style connector plug
- Low beam, 1,00 lumens, 12-24VDC, 20 watts
- High beam, 1,200 lumens, 12-24VDC, 24 watts

Item Number	Description	Package	Pack
34131	Low Beam	Boxed	1 Pc./Box
34132	High Beam	Boxed	1 Pc./Box

4"x6" Rectangular

LED Headlight W/ White Auxiliary Light

- High power LED HL with quality crystal clear polycarbonate lens
- Center light bar with 9 super bright white LED
- Waterproof die-cast housing provides maximum protection and durability, OEM fit, plugs into existing wiring harness

Item Number	Description	Package	Pack
31152	Low Beam	Box	1 Pc./Box
31153	High Beam	Box	1 Pc./Box

4"x6" Rectangular

High Power LED Headlight

- High power LED 4"x6" headlight with polycarbonate lens & housing
- Durable corrosion resistant polycarbonate lens & housing
- Solid state design resists shock and vibration
- Easy connection fits OEM housing, plugs into existing wiring harness
- Low beam, 750 lumens, 6500kelvin, 12-24V DC input
- High beam, 1000 lumens, 6500kelvin, 12-24V DC input
- DOT/SAE FMVSS 108

31150	Low Beam	Box	1 Pc./Box
31151	High Beam	Box	1 Pc./Box

4"X6" Rectangular

LED Crystal Headlight W/ 6 White LED Position Light

- 4"X6" rectangular crystal headlight with 1 high power LED and 6 LED for position lights
- Impact resistant polycarbonate lens and die-cast aluminum housing provides unparalleled protection from road hazards
- Solid state design resists shock and vibration
- DOT/SAE FMVSS 108

Item Number	Description	Package	Pack
31168	Low Beam	Box	1 Pc./Box
31169	High Beam	Box	1 Pc./Box

4"X6" Rectangular

18 High Power LED Headlight W/ Position Light

- Super bright 18 LED headlight w/ 10 white LED position lights
- Ultra slim housing design for easy installation
- High beam, 3,500 lumens/6500k
- Low beam, 1,500 lumens/6500k, position light, 100 lumens
- Rugged anti-vibration construction
- IP67 water resistant rating
- Fits OEM housing, plugs into existing wiring harness

Item Number	Description	Package	Pack
36449	9 LED Projection HL	Box	1 Pc./Box

4"X6" Rectangular

Crystal Headlight W/ 9 White LED Position Light

- 4"X6" (165mm X 100mm) rectangular crystal headlight w/ 9 white LED position lights
- Available in high or low beam

Item Number	Description	Package	Pack
31368	Low Beam	Boxed	1 Pc./Box
31369	High Beam	Boxed	1 Pc./Box

4"X6" Rectangular

Crystal Headlight W/ 9 Amber LED Position Light

- 4"X6" (165mm X 100mm) rectangular crystal headlight w/ 9 amber LED position lights
- Available in high or low beam

Item Number	Description	Package	Pack
31373	Low Beam	Boxed	1 Pc./Box
31374	High Beam	Boxed	1 Pc./Box

4"X6" Rectangular

15 High Power LED Projection Headlight

- Super bright 15 LED projection headlight with multiple high quality projects and glass lens
- Rated output at 1,100 lumens on low, and 2,000 lumens on high
- Works on any 10V-30V applications
- Die-cast housing provides maximum protection from the elements
- Fits OEM housing, plugs into existing wiring harness
- For off-road use only

Item Number	Description	Package	Pack
34123	15 LED Projection HL	Boxed	1 Pc./Box

4"X6" Rectangular

9 High Power LED Headlight W/ LED Light Bar

- Super bright 9 LED dual function headlight w/ 6 white LED light bar
- Die-cast housing provides maximum protection from the elements
- Fits OEM housing, plugs into existing wiring harness
- For off-road use only

Item Number	Description	Package	Pack
34125	9 LED Projection HL	Box	1 Pc./Box

4"X6" HEADLIGHTS

4"X6" Rectangular

15 High Power LED Projection Headlight

- Super bright 15 LED projection headlight with multiple high quality projects and glass lens
- Rated output at 1,100 lumens on low, and 2,000 lumens on high
- Works on any 10V-30V applications
- Die-cast housing provides maximum protection from the elements
- Fits OEM housing, plugs into existing wiring harness
- For off-road use only

Item Number	Description	Package	Pack
34124	15 LED Projection HL	Boxed	1 Pc./Box

4"X6" Rectangular

11 High Power LED Projection Headlight

- 11 high power LED projection headlight w/ white LED position light
- Improved visibility with whiter light output that is closer to the color temperature of daylight
- Die-cast aluminum housing provides maximum protection
- Solid state design resists shock and vibration
- DOT/SAE and FMVSS 108

Item Number	Description	Package	Pack
31274	Low Beam	Boxed	1 Pc./Box
31275	High Beam	Boxed	1 Pc./Box

4"X6" Rectangular

5 High Power LED Crystal Headlight

- 5 high power LED 4"X6" crystal headlight
- High and low beam function
- Reinforced aluminum reflector, rugged anti-vibration construction
- Replaces H4651/H4656
- DOT/SAE and FMVSS 108

Item Number	Description	Package	Pack
31365	High & Low Beam	Boxed	1 Pc./Box

4"X6" Rectangular

1 High Power CREE LED Headlight

- Improved visibility with whiter light output that is closer to the color temperature of daylight
- Die-cast aluminum housing provides maximum protection
- Solid state design resists shock and vibration
- Load resistor may be required for proper installation, item #34205
- DOT/SAE and FMVSS 108

Item Number	Description	Package	Pack
31396	Low Beam	Boxed	1 Pc./Box
31397	High Beam	Boxed	1 Pc./Box

4"X6" Rectangular

8 High Power LED Headlight

- 4"X6" rectangular headlight with 8 high power LEDs
- Improved visibility with whiter light output that is closer to the color temperature of daylight
- Die-cast aluminum housing provides maximum protection
- IP67 rating: Protected from dust and capable of withstanding immersion, offering increased reliability and service life
- Use with 12VDC or 24 VDC system, DOT/SAE and FMVSS 108

Item Number	Description	Package	Pack
31358	Low Beam	Boxed	1 Pc./Box
31359	High Beam	Boxed	1 Pc./Box

4"X6" Rectangular

Crystal Headlight

- Beautiful crystal clear front lens
- Reinforced aluminum reflector, rugged anti-vibration construction
- Sylvania halogen bulb: 9007 12V 65/55W, replaces H4651/H4656
- 9007 bulb adaptor plug included, item # 34206

Item Number	Description	Package	Pack
31388	High & Low Beam	Boxed	1 Pc./Box
31389	High Beam	Boxed	1 Pc./Box

4"X6" Rectangular

Crystal Projection Headlight

- Beautiful crystal clear front lens with quality projector glass
- Reinforced aluminum reflector, rugged anti-vibration construction
- Sylvania halogen bulb: DOT 9005 X/S 12V 60W, replaces H4656
- 6 bright white LED position lights
- Includes two 9005 adapter plugs

Item Number	Description	Package	Pack
31375	Low Beam	Boxed	1 Pc./Box
31376	High Beam	Boxed	1 Pc./Box

4"X6" Rectangular

Crystal Projection Headlight

- Beautiful crystal clear front lens with quality projector glass
- Reinforced aluminum reflector, rugged anti-vibration construction
- Sylvania halogen bulb: DOT 9005 X/S 12V 60W, replaces H4656
- 9007 bulb adaptor plug included, item # 34206

Item Number	Description	Package	Pack
31394	Low Beam	Boxed	1 Pc./Box
31395	High Beam	Boxed	1 Pc./Box

5"X7" Rectangular

High Power LED Headlight

- High power LED 5"X7" rectangular headlight with polycarbonate lens & housing
- Durable corrosion resistant polycarbonate lens & housing
- Solid state design resists shock and vibration
- Easy connection fits OEM housing, plugs into existing wiring harness
- Low beam, 600 lumens, 6000kelvin, 12-24V DC input
- High beam, 1100 lumens, 6000kelvin, 12-24V DC input

Item Number	Description	Package	Pack
31087	5"X7" LED Headlight	Boxed	1 Pc./Box

5"X7" Rectangular

7 LED Headlight W/ LED Light Bar

- 7 high power LED rectangular headlight with 3 LED position light bar
- High and low function
- Reinforced aluminum reflector
- Easy installation, fits OEM housing, plugs into existing wiring harness
- Low beam, 1,680 lumens, 12-24V DC input, 1.15 amps
- High beam, 2,850 lumens, 12-24V DC input, 2.7 amps
- DOT/SAE approved

Item Number	Description	Package	Pack
31120	5"X7" LED Headlight	Boxed	1 Pc./Box

5"X7" Rectangular

22 LED Headlight W/ 12 LED Position LT - Black

- LED dual function rectangular headlight with 12 white LED position light
- Ultra slim housing design for easier installation
- High beam, 4,000 lumens output rating, 12-24VDC
- Low beam, 2,000 lumens output rating, 12-24VDC
- Position light, 100 lumens output rating
- IP67 weather resistant rating
- Easy connection fits OEM housing, plugs into existing wiring harness

Item Number	Description	Package	Pack
36450	5"X7" 9 LED Headlight	Boxed	1 Pc./Box

5"X7" Rectangular

5 High Power LED Crystal Headlight

- 5"X7" 5 high power LED rectangular crystal headlight
- High and low beam function
- Reinforced aluminum reflector, rugged anti-vibration construction

Item Number	Description	Package	Pack
31297	5"X7" Rectangular HL	Boxed	1 Pc./Box

5"X7" HEADLIGHTS

5"X7" Rectangular

Crystal Headlight

- 5"X7" crystal rectangular headlight with plastic lens
- Reinforced aluminum reflector, rugged anti-vibration construction
- Halogen bulb: H4/HB2 12V 65/55W
- Replaces H6054, SAE approved

Item Number	Description	Package	Pack
31377	5"X7" Crystal Headlight	Boxed	1 Pc./Box

5"X7" Rectangular

Rectangular Crystal Headlight

- Beautiful crystal clear glass front lens
- Reinforced aluminum reflector, rugged anti-vibration construction
- Sylvania halogen bulb: H4/HB2 12V 65/55W
- Replaces H6054

Item Number	Description	Package	Pack
31389	5"X7" Rectangular HL	Boxed	1 Pc./Box

5"X7" Rectangular

Heated LED Headlight W/ Polycarbonate Lens & Housing

- Features a heating system that automatically de-ices and defrosts the headlight lens when outside temperature reaches 50 degrees fahrenheit (10 Celsius) or below
- Integrated monitoring system to turn off heating when snow & ice has cleared from lens
- Durable corrosion resistant polycarbonate lens, housing & electronics resist shock and vibration
- Plug & play with standard H4 style connector plug for ease of installation
- Low beam 600 lumens, high beam 1100 lumens, 6000 kelvin temp
- Operates on 12 volts, and 24 volts DC
- DOT/SAE, FMVSS 108

Item Number	Description	Package	Pack
34137	5"X7" Heated LED HL	Boxed	1 Pc./Box

5"X7" Rectangular

9 LED Headlight W/ 6 White LED Light Bar

- 5"X7" 9 LED rectangular headlight with 6 white LED light bar
- Super bright LED behind rugged die-cast aluminum housing provides maximum protection from vibration and the elements
- High beam, 6500k, 3,700 lumens output rating, 12VDC
- Low beam, 6500k, 1,800 lumens output rating, 12VDC
- Center white LED position light, 180 lumens output rating
- IP67 weather resistant rating

Item Number	Description	Package	Pack
34122	5"X7" 9 LED Headlight	Boxed	1 Pc./Box

5 3/4" Round

Philips Halogen H5006 Sealed Beam Headlight

- Genuine Philips headlight
- Replaces H5001/H5006
- High and low beam function

Item Number	Description	Package	Pack
H5006	Philips Halogen H5006	Boxed	1 Pc./Box

5 3/4" Round

8 High Power LED Headlight - Silver

- Replaces most H5001 and H5006 sealbeam bulbs
- Solid state design resists shock and vibration
- Fits OEM housing, plugs into existing wiring harness
- DOT/SAE and FMVSS108
- Low beam, 12.8 VDC input, 1,020 lumens, 0.9 amps / 12 watts
- High beam, 12.8 VDC input, 1,600 lumens, 1.5 amps / 19 watts
- Due to large heat sink, modification to the headlight bucket might be required

Item Number	Description	Package	Pack
31201	5 3/4" LED Headlight	Boxed	1 Pc./Box

5 3/4" Round

8 High Power LED Headlight - Black

- Replaces most H5001 and H5006 sealbeam bulbs
- Solid state design resists shock and vibration
- Fits OEM housing, plugs into existing wiring harness
- DOT/SAE and FMVSS108
- Low beam, 12.8 VDC input, 1,020 lumens, 0.9 amps / 12 watts
- High beam, 12.8 VDC input, 1,600 lumens, 1.5 amps / 19 watts
- Due to large heat sink, modification to the headlight bucket might be required

Item Number	Description	Package	Pack
31202	5 3/4" LED Headlight	Boxed	1 Pc./Box

5 3/4" Round

9 LED Headlight W/ White LED Position Light Bar

- 9 high power LED headlight with LED position light bar
- Reinforced aluminum reflector, rugged anti-vibration construction
- Available in high or low beam
- Perfect for all 4 headlamp systems in cars and trucks

Item Number	Description	Package	Pack
31267	5 3/4" LED Headlight	Boxed	1 Pc./Box

5 3/4" Round

9 LED Headlight W/ Amber LED Position Light Bar

- 9 high power LED headlight with LED position light bar
- Reinforced aluminum reflector, rugged anti-vibration construction
- Available in high or low beam
- Perfect for all 4 headlamp systems in cars and trucks

Item Number	Description	Package	Pack
31259	5 3/4" LED Headlight	Boxed	1 Pc./Box

5 3/4" Round

Crystal Headlight

- Beautiful crystal clear front lens
- Reinforced aluminum reflector, rugged anti-vibration construction
- Sylvania halogen bulb: 9007 12V 65/55W
- Replaces H5001/H5006, SAE & ECE approved
- 9007 bulb adaptor plug included, item # 34207

Item Number	Description	Package	Pack
31386	5 3/4" Crystal Halogen	Boxed	1 Pc./Box

5 3/4" Round

Halogen Crystal Headlight W/ 5 LED Position Light

- Flat crystal clear glass lens with chrome metal reflector
- 5 amber LEDs have high/low function, 12V
- 60/55 watt H4 inner headlight bulb is replaceable, part # 30355
- Advanced multi-faceted surface helps you see further

Item Number	Description	Package	Pack
S2005LED	7" LED Headlight	Boxed	1 Pc./Box

7" ROUND HEADLIGHTS

7" Round

Heated LED Headlight W/ Polycarbonate Lens & Housing

- Features a heating system that automatically de-ices and defrosts the headlight lens when outside temperature reaches 50 degree fahrenheit (10 Celsius) or below
- Integrated monitoring system to turn off heating when snow & ice has cleared from lens
- Durable corrosion resistant polycarbonate lens, housing & electronics resist shock and vibration
- Plug & play with H4 style connector plug for ease of installation
- Low beam 500 lumens, high beam 950 lumens, 5700 kelvin temp
- Operates on 12 volts, and 24 volts DC, DOT/SAE, FMVSS 108

Item Number	Description	Package	Pack
34138	7" Heated LED HL	Boxed	1 Pc./Box

7" Round

LED Headlight W/ Turn Signal & Amber Position Light

- High power LED headlight with LED turn signal/position light bar
- Aluminum housing with proprietary heat management provides maximum protection for long-lasting performance
- Solid state design resists shock and vibration
- Easy connection fits OEM housing, plugs into existing wiring harness
- LED position light requires additional wiring, pre-drilled with 0.156" diameter male bullet plug
- DOT/SAE approved

Item Number	Description	Package	Pack
31458	7" LED Headlight	Boxed	1 Pc./Box

7" Round

LED Headlight W/ Turn Signal & White Position Light

- High power LED headlight with LED turn signal/position light bar
- Aluminum housing with proprietary heat management provides maximum protection for long-lasting performance
- Solid state design resists shock and vibration
- Easy connection fits OEM housing, plugs into existing wiring harness
- LED position light requires additional wiring, pre-drilled with 0.156" diameter male bullet plug
- DOT/SAE approved

Item Number	Description	Package	Pack
31459	7" LED Headlight	Boxed	1 Pc./Box

7" Round

3 High Power LED Headlight W/ 10 LED DRL Bar

- 3 high power LED 7" headlight w/ 10 daytime running light bar
- White position light bar can be wired as daytime running light, amber position light bar can be wired as turn signal
- Easy installation, fits OEM housing, plugs into existing wiring harness
- DOT/SAE approved

Item Number	Description	Package	Pack
31513	7" LED Headlight	Boxed	1 Pc./Box

7" Round

3 High Power LED Headlight W/ 10 LED DRL Bar

- 3 high power LED 7" headlight w/ 10 daytime running light bar
- White position light bar can be wired as daytime running light, amber position light bar can be wired as turn signal
- Easy installation, fits OEM housing, plugs into existing wiring harness
- DOT/SAE approved

Item Number	Description	Package	Pack
31514	7" LED Headlight	Boxed	1 Pc./Box

7" Round

5 High Power LED Dual Function Headlight - Chrome

- 5 high power LED 7" headlight, Philips LumiLEDs
- Reinforced multi-surfaced aluminum reflector housing
- Aluminum reflector, anti-vibration structural design
- Low beam application: 12-24V DC input, 1.7 amps @ 12.8V DC, lumen output: 1020, FMVSS 108
- High beam application: 12-24V DC input, 2.6 amps @ 12.8V DC, lumen output: 1600, FMVSS 108

Item Number	Description	Package	Pack
31391	Chrome 7" LED	Boxed	1 Pc./Box

7" Round

5 High Power LED Dual Function Headlight - Black

- 5 high power LED 7" headlight, Philips LumiLEDs
- Reinforced multi-surfaced aluminum reflector housing
- Aluminum reflector, anti-vibration structural design
- Low beam application: 12-24V DC input, 1.7 amps @ 12.8V DC, lumen output: 1020, FMVSS 108
- High beam application: 12-24V DC input, 2.6 amps @ 12.8V DC, lumen output: 1600, FMVSS 108

Item Number	Description	Package	Pack

New Accounts

Initial buy-in amount and/or quantity is to be determined by United Pacific Industries, UPI hereafter. All initial orders must be prepaid in advance by Cashier's Check or VISA/MC/AMX. All new/potential accounts must complete a UPI "New Dealer Info/Credit Form" and follow the Dealer Qualification Instructions. Upon completion of the credit application, approved accounts will be assigned payment terms of NET 30 Days (from invoice date). Accounts denied a credit line will be required to prepay in advance by Cashier's Check, ACH or Bank wire or VISA/MC/AMX.

Payment Terms

Term Accounts: Accounts with NET 30 Days terms are required to submit payment within the 30 days from the date of invoice. Acceptable forms of payment include checks, ACH (Automated Clearing House), or wire transfer.

A service charge of 1.5% per month will be imposed on invoices not paid within the 30-day term. Delinquent accounts will be required to pay Cash-In-Advance (CIA). Checks will be accepted but orders will not be released until the check is cleared by the bank. Past due invoices will delay current orders. Please check with UPI on your account status when placing an order.

Credit Cards

Accounts denied credit terms may be given the option to pay by Visa, MasterCard or American Express. The credit card will be charged upon shipment. A 3% service fee will be added to the invoice. Credit card payments will not be accepted once an order has been shipped. UPI does not accept Discover card.

COD

There is no COD payment offered.

Returned Checks

A \$30.00 NSF (Non-Sufficient Fund) fee will be assessed on each incidence a check is returned to UPI.

Ordering Guidelines

Placing Orders

New orders and PO's may be placed by any of the following methods:

- Dealer Portal
- Fax: (888) 986-5988
- E-mail: sales@upauto.com
- Telephone: In order to minimize errors, dealers are encouraged to submit their orders by fax or mail. Telephone orders are generally not preferred as to minimize errors. Utilize one of the methods above for placing orders.

Changes to Orders

Once orders are released for picking changes are no longer possible. Dealers would have to submit a new PO for any additional items needed.

Canceling Orders

Cancellation of Stock orders must be submitted via fax or email within 24 hours of the order date. If the Stock order has already shipped it will be the dealer's responsibility to return the order at the dealer's own expense. A restocking fee may apply, please see "Return" policy for further detail. Drop Ship orders cannot be canceled due to the priority processing.

Backorders

Dealers have the option of having their backorders shipped or canceled. UPI will notify dealer as to availability of backorders and will be able to ship any backorder items dealer still needs as part of their next stock order. UPI reserves the right to cancel backorders that are 2 month or older from invoice date.

Minimum Order

A minimum order of \$50.00 is required. Orders below \$50.00 will be assessed a minimum order fee of \$10.00.

Packaging

A 10% service charge will be added to orders with special packaging or UPC barcoding requirements.

Lead Times

Standard lead time for all United Pacific Stock orders is 5 business days from the receipt of the purchase order. Larger Stock orders may require a lead time of up to 7 business days. Drop Ship orders generally ship in 2 business days or less. Transit time of 3-5 business days must be considered when placing orders. UPI cannot be responsible for delays in shipment after an order leaves our warehouse. UPI will work to resolve delays with freight forwarding firms, however, delays do arise from time to time due to weather and unforeseen circumstances beyond UPI's control. Express orders are exempt; please view Freight/Shipping Policy for further detail.

Order Confirmation

United Pacific will acknowledge receipt of orders by email or EDI within 1 business day of receiving the PO. If confirmation is not received, please contact UPI to ensure your order was received.

Prepaid Freight

Stock orders between \$.01 and \$1,999.99 (US Lower 48 States and Canada), \$.01 and \$3,299.99 (Alaska and Hawaii), [all price net US\$], will be shipped FOB Long Beach, California. Stock orders of \$2,000.00 (US Lower 48 States and Canada), \$3,300.00 (Alaska and Hawaii), [all price net US\$], or more will be shipped Freight Prepaid Ground to a single location only. Exclusions on prepaid: 1) Grille Guard (item# 80000) will always ship FOB Long Beach. 2) Express NDA and 2-day orders, Special Net Pricing orders, and Special Quote Pricing orders ship FOB Long Beach. All drop shipment orders will be assessed a 5% processing fee. Drop shipment processing fee will be automatically added to the invoice without notice. No freight allowance or prepaid freight will be permitted for any drop shipment. All drop ship orders, regardless of order size, are FOB Long Beach, CA. A minimum order of \$50.00 is required. Orders below \$50.00 will be assessed a minimum order fee of \$10.00. United Pacific reserves the right to select the carrier of our choice. Freight paid orders do not include extra services such as liftgate fee.

Will Call Orders

Will Call orders can be picked up in 1-3 days after placing the order. Dealers will receive their scheduled pick-up time in the order confirmation. Dealers should always call ahead to confirm when order will be ready. Sorry no same-day pick-up allowed. Will Call hours are 8:30AM - 4:00PM PST.

Shipping Policy

International Shipments

Shipments to locations outside the continental United States will be shipped to the dealer's shipping agent or broker within the continental United States in accordance with the US freight policy. International dealers will be responsible for the duties and taxes of their respective country.

Express Orders

All express orders, such as Next Day, Second Day, 3 Day Service & Will Call, must be emailed, faxed, or sent via EDI. Order confirmation will be sent to the dealer for final approval. If confirmation is not received, please contact UPI to ensure your order was received. Dealers are required to sign off on express orders and send confirmation back to UPI. Cut off for express order is 10:00AM PST (Pacific Standard Time). Express orders received after 10:00AM PST will ship the next business day. Please contact UPI to confirm projected shipping date or will call time. Due to the high cost of express shipments, dealer may request UPI to notify them of freight charges. If dealer does not request confirmation, UPI will ship the express order.

Drop Shipments

All drop shipment orders will be assessed a 5% handling fee and will be automatically added to the invoice without notice. All drop shipment orders must be emailed, faxed, or sent via EDI. No freight allowance or prepaid freight will be permitted for any drop shipment; thus, all drop ship orders regardless of order size, are FOB Long Beach, CA

Claims

General Policy

All claims (Shortage, Mis-Shipped, Damage, Overage, Dealer Error & Billing Error) must be submitted to UPI within 3 business days of the receipt of shipment. Claims submitted beyond 3 business days of the receipt of shipment will be voided by UPI.

On all shipments, the person who signs and receives the shipment is responsible for noting on the Bill of Lading, in writing, whether any boxes arrived damaged or shorted. Failure to do so will void all claim rights between all parties. UPI will have no recourse against the trucking company if dealer does not note any damages or shortages on the Bill of Lading.

The dealer's receiving department must count and sign for the exact number of boxes received. Failure to follow the above instructions will void all claim rights between all parties.

Shortages / Mis-Ships / Damages

While UPI strives to fill every order with 100% accuracy, on occasion an item may get shipped in error or get damaged during shipping. In the event this occurs, please follow the process below. Note: This type of claim must be reported to UPI within three (3) business days of receiving the order.

1. Contact the United Pacific office to initiate the claim. To make it easy for you we have two acceptable methods for requesting the claim:
 - Email: returns@upauto.com
 - Fax : 888-986-5988

Note: To ensure you receive a timely credit, we cannot accept claim requests by phone.

2. You will be required to provide the following information:
 - Your business name
 - Contact name and telephone number (in case we have questions)
 - Date the order was received
 - A copy of the Packing List / Invoice noting the item number and quantity that was shipped in error or damaged during shipping.
 - Special instructions you have for us.
3. UPI will send a return label so you can ship the items back.
4. Once we receive the miss-shipped/damaged item(s) a credit will be issued to your account on the next billing cycle.
 - Shortages will be credit to the Dealers' account, unless dealer would like the shortages replaced.

Overages

UPI strives to provide our dealers with the best dealer service and products, in turn we would greatly appreciate any help from dealer in notifying UPI of any shipping overages. Dealers will be offered the option of retaining the merchandise or returning the merchandise to UPI at UPI's expense. If the items are to be returned, an RMA number and return shipping label will be provided.

Dealer Errors

Any item or quantity ordered in error by the dealer may be returned by contacting UPI for a RMA number.

1. We have two acceptable methods for requesting the RMA:
 - Email: returns@upauto.com
 - Fax : 888-986-5988

Note: To ensure you receive a timely credit, we cannot accept claim requests by phone.

2. You will be required to provide the following information.
 - Your business name
 - Contact name and telephone number (in case we have questions)
 - A list of the items number and quantity ordered in error
 - Special instructions you have for us
3. UPI will review the request to ensure the products are within the return period.

4. Once we have validated the request, United Pacific will issue an RMA number to the dealer. In issuing the RMA approval, the following conditions will apply:

- Returned items are subject to a 20% re-stocking fee.
- Return shipping costs are the responsibility of the dealer.
- Items must not have any retail/price sticker on exterior package/box/card or they will be returned to the dealer at dealer's expense and no credit given.
- Items must be in good condition with original packaging intact, unblemished and in re-sellable condition, or they will be returned to the dealer at dealer's expense and no credit given.
- Allow up to 30 days for the credit to be issued from the time the returned items are received.

Billing Errors

Billing errors should be reported to UPI within 3 business days of invoice receipt. Dealers are asked to provide the invoice number, part number, and quantities in question. Once verified, UPI will issue a credit or an invoice for the difference in billing error.

WARRANTY POLICY/RETURNS **TERMS AND WARRANTY**

Warranty

General Policy

UPI offers a NO HASSLE WARRANTY RETURN policy. Warranty claims can only be submitted through an authorized UPI Distributor. UPI warranty is not transferable and applies to the original installation and purchase only. UPI warranty varies by product and each item's warranty period is stated on UPI's product web page. In no event shall UPI be liable for incidental or consequential damages, nor shall UPI be liable for any claims or damages arising out of or connected with the UPI warranty which exceed the purchase price of the products.

There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. The warranty does not apply to products which are damaged or made defective by faulty or incorrect installation. UPI reserves the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.

Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way or installed contrary to normal installation and usage. In addition, UPI cannot be held liable for damages caused by road hazards, accidents, misuse, neglect, water intrusion, abuse or corrosive environments including acid washes and highway snow/ice chemicals which can cause discoloration and corrosion in aluminum, chrome, stainless steel and light products. UPI reserves the right to credit returned merchandise at the initial purchase price or at the current selling price, which price ever is lower.

Aluminum / Chrome / Stainless Steel Products

Aluminum, chrome, and stainless steel products carry either a limited 6 month warranty, or a limited 1 year warranty (from invoice date) against defects in material or workmanship. Check the product page on our website for specific warranty period.

All Grille Guards (Item # 80000): A) Stainless Steel Materials and factory workmanship of the product itself carry a Limited Lifetime warranty. B) The Stainless steel polish and finish has a 12 month warranty. C) This warranty is provided only to the original purchaser/consumer, and on the original installation. Warranty is not transferable. Product failure or breakage due to accident/wreck or improper installation is not covered.

All mounting kits (Item # 80001, 80002, 80003, 80004, 80005): A) Steel Materials and factory workmanship on the sub-assembly bracket are Lifetime warranty. B) The painted or zinc finish has a 12 month warranty. C) Any ancillary components and parts (e.g. washers, bolts, spacers, etc.) which are not part of the sub-assembly, carry a 12 month warranty. D) This Warranty is provided only to the original purchaser/consumer, and on the original installation. Warranty is not transferable. Product failure or breakage due to accident/wreck or improper installation is not covered.

Lighting Products

Incandescent Lighting:

All incandescent lighting products carry a limited 12 month warranty (from invoice date) against defects in material or workmanship. The limited 12 month warranty does not apply to several applications, such as, buses, construction equipment, and off road vehicles.

LED Lighting:

All LED lighting products carry a specific Limited Warranty (from invoice date) against defects in material or workmanship.

LED with vehicle specific application is limited lifetime warranty to an original purchaser with receipt. Examples of lifetime warranty product:

CTL5720LED CTL5720LED for 1957 Chevy, FTL3201LED-L for 1932 Ford.

LED Marker, 2", 2-1/2", 4", 7", Oval & Square Lights - Varies from 2 years to 10 years to Limited Lifetime, depending on specific item. The housing, bezel or mounting base on any light made from Chrome/Stainless carries a 6 month limited warranty.

LED Cab Lights and Kits, Double/Single Stud Turn Signal and PB/ KW/FL/VL or non-make Turn Signals and any/all Strip Lights - Varies from 2 years to 10 years to Limited Lifetime, depending on specific item. The housing, bezel or mounting base on any light made from Chrome/Stainless carries a 6 month limited warranty.

LED Beacon, Driving, Headlights, Work & Warning Lights - Varies from 6 months to 3 years. The housing, bezel or mounting base on any light made from Chrome/Stainless carries a 6 month limited warranty.

All LED Accessory Lights (Honda, Stainless Steel Double/Single face Lights, Interior Lights, License Plate Lights, and any Accent Lights. The housing, bezel or mounting base on any light made from Chrome/Stainless carries a 6 month limited warranty.

For any product that contains any type of light or LED, whether it is a stand alone light or LED, or part of a larger assembled item (e.g.. Rear light panel), modifying electrical wiring, sockets, lighting pigtails and any electrical connection from the original configuration will void the warranty of both wiring, pigtail and the light or LED unit and cannot be warrantied.

Returns

General Policy

All returns must be authorized by UPI. All return requests must be faxed or e-mailed (returns@upauto.com). A RMA number (Return Merchandise Authorization Number) will be provided. Returns not possessing a valid RMA number are subject to rejection and will be returned to sender at the dealer's expense.

RETURNS/DISCLAIMER
TERMS AND WARRANTY

All dealers are encouraged to use the Warranty RMA Claim Form and Dealer Portal Dashboard.

Defective Goods / Warranty Return

UPI offers our dealers a No Hassle Warranty Return. Please follow the instructions below for requesting a RMA for defective goods:

1. If any warranty issues occur, simply contact the UPI for RMA number. To make it easy for you we have three acceptable methods for requesting the RMA.
 Dealer Portal Dashboard
 Email: returns@upauto.com
 Fax: 888-986-5988
Note: To ensure you receive a timely RMA credit, we cannot accept RMA requests by phone.
2. You will be required to provide the following information:
 Your business name
 Contact name and telephone number (in case we have questions)
 A list of the defective item number and quantity with the nature/reason of the defect
 Special instructions you have for us
 The enclosed fax form may be used for your convenience to request an RMA
3. UPI will review the request to ensure the products are within the stated warranty period.
4. Once we have validated the warranty items, a RMA confirmation, listing the items and cost will be faxed to the dealer within 3 business days. UPI will process the credit to your account within 30 days.

Note: The majority of time there will be no need to return the warranty product to us. However, from time to time, UPI may require some warranty products to be shipped back so we may analyze the cause of the failure. All warranty products that are required to be shipped back will be freight prepaid by UPI.

Stock Return - USA Only

United Pacific Industries encourages all dealers to regularly monitor the sales volume and stock level of their inventory items. As sales trends may slow the movement of specific items, our hope is that those items are featured as "close-out specials" as to minimize stock returns. We also understand that the dealer, from time to time, may accumulate over-stock items and desire to return those. Therefore, we have adopted the following policy below.

NOTE:

Items must have been purchased by the United States dealer requesting the stock return.
 Items must have been purchased within the preceding 12 months.
 Items that have been discontinued will not be considered for return.

1. Contact the United Pacific for RMA number. We have 3 acceptable methods for requesting the RMA:
 Dealer Portal Dashboard
 Email: returns@upauto.com
 Fax: 888-986-5988
Note: To ensure you receive a timely RMA credit, we cannot accept RMA requests by phone.
2. You will be required to provide the following information:
 Your business name
 Contact name and telephone number (in case we have questions)
 A list of the defective item number and quantity with the nature/reason of the defect
 Special instructions you have for us
3. Your claim will be reviewed within 5 business days and you will be contacted by your sales representative who will discuss solutions to liquidate these slow moving items.
4. In the event United Pacific and the dealer agree to a credit in lieu of returning the items, this credit will be issued within 10 business days.
5. In the event items are returned by the dealer, United Pacific will issue an RMA number to the dealer. Once the RMA is issued, the following conditions will apply:

Returned items are subject to a 20% re-stocking fee. Return shipping costs are the responsibility of the dealer. Items must not have any retail/price sticker on exterior package/box/card or they will be returned to the dealer at dealer's expense and no credit given. Items must be in good condition with original packaging intact, unblemished and in re-sellable condition, or they will be returned to the dealer at dealer's expense and no credit given. Allow up to 30 days for the credit to be issued from the time the returned items are received.
 6. Stock returns may be requested throughout the year and are subject to final approval by United Pacific.
 All dealers are encouraged to use the Warranty RMA Claim Form and Dealer Portal Dashboard.

Closeout / Discontinue

UPI will not warranty or accept returns on Closeout/Discontinue items.

Procedure:

An inventory of the merchandise being returned must accompany each return. The RMA number should be prominently displayed on each carton/box.

All Returns must be returned freight prepaid.

Ship Returns to:

United Pacific Industries
 Attn: Returns Department
 3788 E. Conant St.
 Long Beach, CA 90808

RMA:

Outstanding RMA's will be automatically cancelled if not used within 30 days of issuance.

Disclaimer

United Pacific Industries reserves the right to amend or update our Policies & Procedures without notice.

United Pacific Industries is not responsible for typographical, product information or print errors. Specifications on this catalog may be changed without advance notice. Products may look different from those in the photos on this catalog due to printing quality.

California Proposition 65 Warning as required by the State of California:

WARNING: This product can expose you to chemicals including acrylonitrile butadiene styrene, bisphenol and lead, chromium (hexavalent compounds), titanium dioxide, carbon black, diisononyl phthalate (dinp), which is known to the State of California to cause cancer or birth defects or other reproductive harm.
