QUALITY

With over 30 years of experience in the automotive aftermarket industry, United Pacific Industries understands the rigors and stresses that our products are subjected to on the road. It is our mission to provide our customers with products of superior quality and reliability. In achieving this goal, United Pacific only partners with manufacturing facilities that conforms to our quality control requirements and standards. Our manufacturing partners meet or exceed ISO-9001 requirements. In addition, United Pacific's manufacturing partners must be equipped on site to perform the following quality assurance tests and maintain a track record of consistent quality and low product failure rate.

- Photometric Test
- Pull Force Test
- Rain Test
- Salt Spray Test
- Shock Test
- Temperature Test
- Humidity Test
- Vibration Test

Furthermore, our internal quality control structure allows us to function as the final quality control station prior to shipping.

With the assistance of 3D computer technology, United Pacific can adhere to strict quality control standards during prototype creation and the production process. Our engineers and technicians perform a battery of tests to ensure that our products meet the demands of today's drivers and our goal to be first in quality.

INNOVATION

Known as the leader in innovation, United Pacific is dedicated to be the first to bring new and exciting products to the market. United Pacific's global expertise allows us to search the globe for new ideas and concepts. Not only do we search the globe for new products, United Pacific invest a significant amount of resources into our own research and development efforts. With the assistance of advance 3D scanning technology, our engineers and designers can acquire accurate and precise data in seconds. The 3D data allows United Pacific to verify designs, perform quality assurance tests, and reverse engineer with unprecedented speed and accuracy. Digital inspection contributes to the early detection of shape problems, provides rapid feedback on design, and eliminates unnecessary work in downstream processes. Our rapid prototyping facility permits us to have a concept-to-shelf time of less than 5 months. In addition, United Pacific's 3D printing capabilities permit our designers to have physical models of their design concepts in hours. The physical models allow our designers and marketing staff to evaluate and test the viability of different design ideas. Our rapid prototyping facility allow United Pacific to compress design cycles, improve manufacturing planning, shorten concept-to-shelf time, most importantly, generate new and innovative products.

DESIGN

Located near some of the nation's most progressive automotive design centers, United Pacific established the UP Design Studio in 2002 to consolidate our position as the design leader in the automotive industry. UP Design Studio utilizes the latest generation of computer aided design (CAD) and studio/graphic software. The design studio is equipped with the newest computers and rapid prototyping systems. In addition, UP Design Studio is staffed by graduates from the nation's most prestigious design colleges. Unlike our competitors, United Pacific's design and manufacturing capabilities mean that we carry more new and original items than our competitors. The establishment of the design studio will enable us to generate even more new products with significant shorter concept-to-shelf time. The reduction in development cost mean that we can develop products utilizing design based development processes. Design based product development allows United Pacific to create new product concepts based on designs incorporating driver demands and needs instead of economic considerations. United Pacific's emphasis on design distinguishes and positions us ahead of our competitors.

WARRANTY

With LED (Light Emitting Diodes) rated at 100,000 hours of operation and solid-state construction, United Pacific's LED lights are extremely reliable and durable. Purchase with confidence, United Pacific offers a complete line of LED lighting products with extended or limited lifetime warranties. Please see the warranty policy page for more details.

INVENTORY AND SHIPPING

United Pacific carries over 20,000 items in our California distribution center. No other company in the heavy duty trucking industry can match United Pacific in the variety and range of in-stock inventories. With an order fill rate of over 98.5%, United Pacific is the largest and most reliable supplier in the industry. Our shipping department ships 96.8% of all orders within 24 hours and 98.9% within 48 hours. United Pacific's vast inventory and prompt shipping has made United Pacific the only source for our customer's chrome and lighting needs.

HARD AT WORK FOR THE ENVIRONMENT

United Pacific
132,000 sq ft
Distribution Center
Long Beach, CA

100% reduction in potable water used for landscaping

40% reduction in total energy use due to high-efficiency mechanical and lighting systems

82% of construction waste was diverted from landfills

LEED ACCOMPLISHMENTS

Sustainable Sites

- On-site bicycle storage, showers and changing areas for company employees.
- Preferred parking for low-emitting, fuel-efficient and carpool vehicles.
- Stormwater is infiltrated on-site and treated to remove contaminants to reduce environmental impact on local waterways.

Water Efficiency

- In addition to using reclaimed water, drought-tolerant plants and a high-efficiency irrigation system were installed to reduce the use of potable water for irrigation by 100%.

Energy and Atmosphere

- Efficient HVAC equipment and a lighting system with daylight controls reduces energy consumption by over 30%.
- Enhanced commission verifies that the building's energy and water-related systems are performing as intended by the initial design.

Indoor Environmental Quality

- Building ventilation systems was designed to provide enhanced levels of fresh outside air to building occupants.
- Interior finishes (plants, sealants, adhesives, coatings, carpet systems and composite wood) were selected with low levels of volatile organic compounds (VOCs) to reduce indoor air contamination.

Terms & Conditions / Ordering Guidelines / Freight

New Accounts

Initial buy-in amount and/or quantity is to be determined by United Pacific Industries, UPI hereafter. All initial orders must be prepaid in advance by Cashier's Check or VISA/MC/AMX. All new/potential accounts must complete a UPI "New Dealer Info/Credit Form" and follow the Dealer Qualification Instructions. Upon completion of the credit application, approved accounts will be assigned payment terms of NET 30 Days (from invoice date). Accounts denied a credit line will be required to prepay in advance by Cashier's Check, ACH or Bank wire or VISA/MC/AMX.

Payment Terms

Term Accounts: Accounts with NET 30 Days terms are required to submit payment within the 30 days from the date of invoice. Acceptable forms of payment include checks, ACH (Automated Clearing House), or wire transfer.

A service charge of 1.5% per month will be imposed on invoices not paid within the 30-day term. Delinquent accounts will be required to pay Cash-In-Advance (CIA). Checks will be accepted but orders will not be released until the check is cleared by the bank. Past due invoices will delay current orders. Please check with UPI on your account status when placing an order.

Credit Cards

Accounts denied credit terms may be given the option to pay by Visa, MasterCard or American Express. The credit card will be charged upon shipment. A 3% service fee will be added to the invoice. Credit card payments will not be accepted once an order has been shipped. UPI does not accept Discover card.

COD

There is no COD payment offered.

Returned Checks

A \$30.00 NSF (Non-Sufficient Fund) fee will be assessed on each incidence a check is returned to UPI.

Ordering Guidelines

Placing Orders

New orders and PO's may be placed by any of the following methods:

- Dealer Portal
- Fax: (888) 986-5988
- E-mail: sales@upauto.com
- Telephone: In order to minimize errors, dealers are encouraged to submit their orders by fax or mail. Telephone orders are generally not preferred as to minimize errors. Utilize one of the methods above for placing orders.

Changes to Orders

Once orders are released for picking changes are no longer possible. Dealers would have to submit a new PO for any additional items needed.

Canceling Orders

Cancellation of Stock orders must be submitted via fax or email within 24 hours of the order date. If the Stock order has already shipped it will be the dealer's responsibility to return the order at the dealer's own expense. A restocking fee may apply, please see "Return" policy for further detail. Drop Ship orders cannot be canceled due to the priority processing.

Backorders

Dealers have the option of having their backorders shipped or canceled. UPI will notify dealer as to availability of backorders and will be able to ship any backorder items dealer still needs as part of their next stock order. UPI reserves the right to cancel backorders that are 2 month or older from invoice date.

Minimum Order

A minimum order of \$50.00 is required. Orders below \$50.00 will be assessed a minimum order fee of \$10.00.

Packaging

A 10% service charge will be added to orders with special packaging or UPC barcoding requirements.

Lead Times

Standard lead time for all United Pacific Stock orders is 5 business days from the receipt of the purchase order. Larger Stock orders may require a lead time of up to 7 business days. Drop Ship orders generally ship in 2 business days or less. Transit time of 3-5 business days must be considered when placing orders. UPI cannot be responsible for delays in shipment after an order leaves our warehouse. UPI will work to resolve delays with freight forwarding firms, however, delays do arise from time to time due to weather and unforeseen circumstances beyond UPI's control. Express orders are exempt; please view Freight/Shipping Policy for further detail.

Order Confirmation

United Pacific will acknowledge receipt of orders by email or EDI within 1 business day of receiving the PO. If confirmation is not received, please contact UPI to ensure your order was received.

Shipping Policy / Claims

Prepaid Freight

Stock orders between \$.01 and \$1,999.99 (US Lower 48 States and Canada), \$.01 and \$3,299.99 (Alaska and Hawaii), [all price net US\$], will be shipped FOB Long Beach, California. Stock orders of \$2,000.00 (US Lower 48 States and Canada), \$3,300.00 (Alaska and Hawaii), [all price net US\$], or more will be shipped Freight Prepaid Ground to a single location only. Exclusions on prepaid: 1) Grille Guard (item# 80000) will always ship FOB Long Beach. 2) Express NDA and 2-day orders, Special Net Pricing orders, and Special Quote Pricing orders ship FOB Long Beach. All drop shipment orders will be assessed a 5% processing fee. Drop shipment processing fee will be automatically added to the invoice without notice. No freight allowance or prepaid freight will be permitted for any drop shipment. All drop ship orders, regardless of order size, are FOB Long Beach, CA. A minimum order of \$50.00 is required. Orders below \$50.00 will be assessed a minimum order fee of \$10.00. United Pacific reserves the right to select the carrier of our choice. Freight paid orders do not include extra services such as liftgate fee.

Will Call Orders

Will Call orders can be picked up in 1-3 days after placing the order. Dealers will receive their scheduled pick-up time in the order confirmation. Dealers should always call ahead to confirm when order will be ready. Sorry no same-day pick-up allowed. Will Call hours are 8:30AM - 4:00PM PST.

Shipping Policy

International Shipments

Shipments to locations outside the continental United States will be shipped to the dealer's shipping agent or broker within the continental United States in accordance with the US freight policy. International dealers will be responsible for the duties and taxes of their respective country.

Express Orders

All express orders, such as Next Day, Second Day, 3 Day Service & Will Call, must be emailed, faxed, or sent via EDI. Order confirmation will be sent to the dealer for final approval. If confirmation is not received, please contact UPI to ensure your order was received. Dealers are required to sign off on express orders and send confirmation back to UPI. Cut off for express order is 10:00AM PST (Pacific Standard Time). Express orders received after 10:00AM PST will ship the next business day. Please contact UPI to confirm projected shipping date or will call time. Due to the high cost of express shipments, dealer may request UPI to notify them of freight charges. If dealer does not request confirmation, UPI will ship the express order.

Drop Shipments

All drop shipment orders will be assessed a 5% handling fee and will be automatically added to the invoice without notice. All drop shipment orders must be emailed, faxed, or sent via EDI. No freight allowance or prepaid freight will be permitted for any drop shipment; thus, all drop ship orders regardless of order size, are FOB Long Beach, CA

Claims

General Policy

All claims (Shortage, Mis-Shipped, Damage, Overage, Dealer Error & Billing Error) must be submitted to UPI within 3 business days of the receipt of shipment. Claims submitted beyond 3 business days of the receipt of shipment will be voided by UPI.

On all shipments, the person who signs and receives the shipment is responsible for noting on the Bill of Lading, in writing, whether any boxes arrived damaged or shorted. Failure to do so will void all claim rights between all parties. UPI will have no recourse against the trucking company if dealer does not note any damages or shortages on the Bill of Lading.

The dealer's receiving department must count and sign for the exact number of boxes received. Failure to follow the above instructions will void all claim rights between all parties.

Shortages / Mis-Ships / Damages

While UPI strives to fill every order with 100% accuracy, on occasion an item may get shipped in error or get damaged during shipping. In the event this occurs, please follow the process below. Note: This type of claim must be reported to UPI within three (3) business days of receiving the order.

1. Contact the United Pacific office to initiate the claim. To make it easy for you we have two acceptable methods for requesting the claim:

- Email: returns@upauto.com
- Fax : 888-986-5988

Note: To ensure you receive a timely credit, we cannot accept claim requests by phone.

2. You will be required to provide the following information:

- Your business name
- Contact name and telephone number (in case we have questions)
- Date the order was received
- A copy of the Packing List / Invoice noting the item number and quantity that was shipped in error or damaged during shipping.
- Special instructions you have for us.

3. UPI will send a return label so you can ship the items back.

4. Once we receive the miss-shipped/damaged item(s) a credit will be issued to your account on the next billing cycle.

- Shortages will be credit to the Dealers' account, unless dealer would like the shortages replaced.

Overages

UPI strives to provide our dealers with the best dealer service and products, in turn we would greatly appreciate any help from dealer in notifying UPI of any shipping overages. Dealers will be offered the option of retaining the merchandise or returning the merchandise to UPI at UPI's expense. If the items are to be returned, an RMA number and return shipping label will be provided.

Claims / Warranty / Returns

Dealer Errors

Any item or quantity ordered in error by the dealer may be returned by contacting UPI for a RMA number.

1. We have two acceptable methods for requesting the RMA:

- Email: returns@upauto.com
- Fax : 888-986-5988

Note: To ensure you receive a timely credit, we cannot accept claim requests by phone.

2. You will be required to provide the following information.

- Your business name
- Contact name and telephone number (in case we have questions)
- A list of the items number and quantity ordered in error
- Special instructions you have for us

3. UPI will review the request to ensure the products are within the return period.

4. Once we have validated the request, United Pacific will issue an RMA number to the dealer. In issuing the RMA approval, the following conditions will apply:

- Returned items are subject to a 20% re-stocking fee.
- Return shipping costs are the responsibility of the dealer.
- Items must not have any retail/price sticker on exterior package/box/card or they will be returned to the dealer at dealer's expense and no credit given.
- Items must be in good condition with original packaging intact, unblemished and in re-sellable condition, or they will be returned to the dealer at dealer's expense and no credit given.
- Allow up to 30 days for the credit to be issued from the time the returned items are received.

Billing Errors

Billing errors should be reported to UPI within 3 business days of invoice receipt. Dealers are asked to provide the invoice number, part number, and quantities in question. Once verified, UPI will issue a credit or an invoice for the difference in billing error.

Warranty

General Policy

UPI offers a NO HASSLE WARRANTY RETURN policy. Warranty claims can only be submitted through an authorized UPI Distributor. UPI warranty is not transferable and applies to the original installation and purchase only. UPI warranty varies by product and each item's warranty period is stated on UPI's product web page. In no event shall UPI be liable for incidental or consequential damages, nor shall UPI be liable for any claims or damages arising out of or connected with the UPI warranty which exceed the purchase price of the products.

There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. The warranty does not apply to products which are damaged or made defective by faulty or incorrect installation. UPI reserves the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.

Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way or installed contrary to normal installation and usage. In addition, UPI cannot be held liable for damages caused by road hazards, accidents, misuse, neglect, water intrusion, abuse or corrosive environments including acid washes and highway snow/ice chemicals which can cause discoloration and corrosion in aluminum, chrome, stainless steel and light products. UPI reserves the right to credit returned merchandise at the initial purchase price or at the current selling price, which price ever is lower.

Aluminum / Chrome / Stainless Steel Products

Aluminum, chrome, and stainless steel products carry either a limited 6 month warranty, or a limited 1 year warranty (from invoice date) against defects in material or workmanship. Check the product page on our website for specific warranty period.

All Grill Guards (Item # 80000): A) Stainless Steel Materials and factory workmanship of the product itself carry a Limited Lifetime warranty. B) The Stainless steel polish and finish has a 12 month warranty. C) This warranty is provided only to the original purchaser/consumer, and on the original installation. Warranty is not transferable. Product failure or breakage due to accident/wreck or improper installation is not covered.

All mounting kits (Item # 80001, 80002, 80003, 80004, 80005): A) Steel Materials and factory workmanship on the sub-assembly bracket are Lifetime warranty. B) The painted or zinc finish has a 12 month warranty. C) Any ancillary components and parts (e.g. washers, bolts, spacers, etc.) which are not part of the sub-assembly, carry a 12 month warranty. D) This Warranty is provided only to the original purchaser/consumer, and on the original installation. Warranty is not transferable. Product failure or breakage due to accident/wreck or improper installation is not covered.

Lighting Products

Incandescent Lighting:

All incandescent lighting products carry a limited 12 month warranty (from invoice date) against defects in material or workmanship.

The limited 12 month warranty does not apply to several applications, such as, buses, construction equipment, and off road vehicles.

Returns / Disclaimer

LED Lighting:

All LED lighting products carry a specific Limited Warranty (from invoice date) against defects in material or workmanship.

- LED with vehicle specific application is limited lifetime warranty to an original purchaser with receipt. Examples of lifetime warranty product: CTL5720LED CTL5720LED for 1957 Chevy, FTL3201LED-L for 1932 Ford.
- LED Marker, 2", 2-1/2", 4", 7", Oval & Square Lights - Varies from 2 years to 10 years to Limited Lifetime, depending on specific item. The housing, bezel or mounting base on any light made from Chrome/Stainless carries a 6 month limited warranty.
- LED Cab Lights and Kits, Double/Single Stud Turn Signal and PB/ KW/FL/VL or non-make Turn Signals and any/all Strip Lights - Varies from 2 years to 10 years to Limited Lifetime, depending on specific item. The housing, bezel or mounting base on any light made from Chrome/Stainless carries a 6 month limited warranty.
- LED Beacon, Driving, Headlights, Work & Warning Lights - Varies from 6 months to 3 years. The housing, bezel or mounting base on any light made from Chrome/Stainless carries a 6 month limited warranty.
- All LED Accessory Lights (Honda, Stainless Steel Double/Single face Lights, Interior Lights, License Plate Lights, and any Accent Lights. The housing, bezel or mounting base on any light made from Chrome/Stainless carries a 6 month limited warranty.
- For any product that contains any type of light or LED, whether it is a stand alone light or LED, or part of a larger assembled item (e.g.. Rear light panel), modifying electrical wiring, sockets, lighting pigtails and any electrical connection from the original configuration will void the warranty of both wiring, pigtail and the light or LED unit and cannot be warrantied.

Returns

General Policy

All returns must be authorized by UPI. All return requests must be faxed or e-mailed (returns@upauto.com). A RMA number (Return Merchandise Authorization Number) will be provided. Returns not possessing a valid RMA number are subject to rejection and will be returned to sender at the dealer's expense.

All dealers are encouraged to use the Warranty RMA Claim Form and Dealer Portal Dashboard.

Defective Goods / Warranty Return

UPI offers our dealers a No Hassle Warranty Return. Please follow the instructions below for requesting a RMA for defective goods:

1. If any warranty issues occur, simply contact the UPI for RMA number. To make it easy for you we have three acceptable methods for requesting the RMA.

- Dealer Portal Dashboard: UPtruckparts.com/profile/login
- Email: returns@upauto.com
- Fax: 888-986-5988

Note: To ensure you receive a timely RMA credit, we cannot accept RMA requests by phone.

2. You will be required to provide the following information:

- Your business name
- Contact name and telephone number (in case we have questions)
- A list of the defective item number and quantity with the nature/reason of the defect
- Special instructions you have for us
- The enclosed fax form may be used for your convenience to request an RMA

3. UPI will review the request to ensure the products are within the stated warranty period.

4. Once we have validated the warranty items, a RMA confirmation, listing the items and cost will be faxed to the dealer within 3 business days. UPI will process the credit to your account within 30 days.

Note: The majority of time there will be no need to return the warranty product to us. However, from time to time, UPI may require some warranty products to be shipped back so we may analyze the cause of the failure. All warranty products that are required to be shipped back will be freight prepaid by UPI.

Stock Return

United Pacific Industries encourages all dealers to regularly monitor the sales volume and stock level of their inventory items. As sales trends may slow the movement of specific items, our hope is that those items are featured as “close-out specials” as to minimize stock returns. We also understand that the dealer, from time to time, may accumulate over-stock items and desire to return those. Therefore, we have adopted the following policy below.

NOTE:

Items must have been purchased by the dealer requesting the stock return.
Items must have been purchased within the preceding 12 months.
Items that have been discontinued will not be considered for return.

1. Contact the United Pacific for RMA number.

We have 3 acceptable methods for requesting the RMA:

- Dealer Portal Dashboard: UPtruckparts.com/profile/login
- Email: returns@upauto.com
- Fax: 888-986-5988

Note: To ensure you receive a timely RMA credit, we cannot accept RMA requests by phone.

2. You will be required to provide the following information:

- Your business name.
- Contact name and telephone number (in case we have questions).
- A list of the defective item number and quantity with the nature/reason of the defect.
- Special instructions you have for us.

3. Your claim will be reviewed within 5 business days and you will be contacted by your sales representative who will discuss solutions to liquidate these slow moving items.

4. In the event United Pacific and the dealer agree to a credit in lieu of returning the items, this credit will be issued within 10 business days.

5. In the event items are returned by the dealer, United Pacific will issue an RMA number to the dealer. Once the RMA is issued, the following conditions will apply:

- Returned items are subject to a 20% re-stocking fee.
- Return shipping costs are the responsibility of the dealer.
- Items must not have any retail/price sticker on exterior package/box/card or they will be returned to the dealer at dealer’s expense and no credit given.
- Items must be in good condition with original packaging intact, unblemished and in re-sellable condition, or they will be returned to the dealer at dealer’s expense and no credit given.
- Allow up to 30 days for the credit to be issued from the time the returned items are received.

6. Stock returns may be requested throughout the year and are subject to final approval by United Pacific.

Closeout / Discontinue

UPI will not warranty or accept returns on Closeout/Discontinue items.

Procedure:

An inventory of the merchandise being returned must accompany each return.
The RMA number should be prominently displayed on each carton/box.
All Returns must be returned freight prepaid.

Ship Returns to:

United Pacific Industries
Attn: Returns Department
3788 E. Conant St.
Long Beach, CA 90808

RMA:

Outstanding RMA’s will be automatically canceled if not used within 30 days of issuance.
Go to the Dealer Portal Guide Page for more information on RMA procedure.

Disclaimer

United Pacific Industries reserves the right to amend or update our Policies & Procedures without notice. United Pacific Industries is not responsible for typographical, product information or print errors. Specifications on this catalog may be changed without advance notice. Products may look different from those in the photos on this catalog due to printing quality.

The form is titled "DEFECTIVE GOODS / WARRANTY CLAIM FORM". It includes the United Pacific logo and contact information: 3788 E. Conant Street, Long Beach, CA 90808, Tel: (562) 471-3888, Fax: (562) 598-6988, and website UPAuto.com. The form has fields for Date, Company Name, Address, City, State, Zip, Contact Name, Phone Number, Fax Number, and Email. Below this is a table for "List defective items below" with columns: Item #, Qty, Description, Reason for Defect, and Qty. Ret. to Customer. At the bottom, there is an "Internal Use Only" section with fields for Date Received, RMA Approved Date, RMA Number, Fiscal Year, Credit Amount, and Approved by.
