# ALL-IN-ONE DEALER PORTAL

ONE-STOP ONLINE BUYING EXPERIENCE.

## Browse Parts. Place Orders. Manage Account.

Everything is now in one place for you to manage accounts and unlock the power of seamless transactions with our One-Stop Online Buying Experience.

Here's what awaits you:

Place & Track Orders

View Invoices

Initiate Returns

Check Inventory Status

Back Order

Quick Access

## MORE CONTROL

All the tools you need, consolidated in one user-friendly platform. Browse our extensive catalog, place orders seamlessly, and take control of your account with unparalleled ease.

## WHO WE ARE

Founded in 1984, United Pacific Industries began as a small parts shop in El Segundo, California. Today, after nearly 40 years, UPI is an industry leader in the design and manufacturing of high-quality parts for big rigs and classic vehicles. Family owned and operated since the beginning, our passionate staff remains committed to developing outstanding products and providing superior service.

## OUR MISSION & VALUE

United Pacific is a team of enthusiastic individuals dedicated to providing today's drivers with exciting, pioneering products that deliver exceptional performance and value. We are always learning, keeping up with industry trends and technology to develop the hardworking parts our clientele expects and deserves. Innovative design is our passion, and superior service is our promise, translating into our core values.

## AUTHORIZED UNITED PACIFIC DEALER

To order from United Pacific Industries, you must be an authorized dealer, distributor or OEM. If you are not authorized to stock and sell United Pacific products, you must order through an authorized dealer. Please call 866.327.5288 for more information.

## CONTACT US & HOURS

## GLOBAL & GROWING

Headquartered in Long Beach, CA, just minutes from the largest shipping port in North America, United Pacific is an international company with additional offices in Taiwan and China.

In addition to warehouses in California, United Pacific has opened a state-of-the-art 280,000 sq ft facility in McKinney, Texas. This cutting-edge IT infrastructure fulfillment center will offer seamless order processing to our valued dealers.

We serve classic auto and semi-truck dealers; and automotive enthusiasts throughout North, Central, and South America, Australia, and across the Asia-Pacific region.

McKinney, Texas

## HIGH QUALITY PARTS

At United Pacific Classic Division, we are passionate about preserving the legacy of classic automobiles. We offer over 7,000 meticulously crafted products designed to help classic car enthusiasts restore, upgrade, and maintain everyone's beloved vintage cars. With a commitment to quality and authenticity, we continuously design new products by incorporating the latest technology and conduct rigorous testing before their release. Additionally, we regularly upgrade items in our current catalog for classic Ford, Chevrolet, and GMC trucks and cars.

United Pacific strives to provide today's drivers with exciting products that deliver exceptional performance and value. With our international background and expertise, we search the globe for the best and most reliable products. Although the components are manufactured overseas, the products, bearing the "Assembled in the USA" labels, are hand assembled with pride in the United States.

## INVENTORY & SHIPPING

**No other company can match UPI's variety and range of in-stock inventories.**

Our outstanding shipping department has an order fill rate of over 98.5%, with 96.8% of all orders fulfilled within 24 hours, and 98.9% within 48 hours. Our drop-shipping program will give you access to quick and easy shipping solutions for your customers. Additionally both California and Texas warehouse locations will offer enhance service to dealers and customers across the United States.

Order fulfillment within 24 hours, 99% within 48 States.

Satisfied with our Customer Service team.

Satisfied with United Pacific's products & services.

Data source: Based on UPI customer survey in February 2022.

## SUSTAINABILITY

United Pacific Industries takes great pride in our environmental stewardship and has taken proactive steps to ensure our footprint remains as small as possible. Our green initiatives throughout our state-of-the-art headquarters and warehouses have resulted in the prestigious LEED Platinum Certification for the building.

- Electrical vehicle charging stalls.
- Preferred parking for low-emitting, fuel-efficient, and carpool vehicles.
- On-site stormwater infiltration and treatment minimize environmental impact on local waterways.
- 30% water savings with a high-efficiency irrigation system using 100% reclaimed water.
- All corrugated cardboard is recycled.
- Tesla solar panels to help power our office and warehouse.

## INDOOR ENVIRONMENTAL QUALITY

Building ventilation system was designed to provide enhanced levels of fresh outside air to building occupants. Interior finishes (paints, sealants, adhesives, coatings, carpet systems, and composite wood) were selected with low levels of volatile organic compounds (VOCs) to reduce indoor air contamination.

## 7" LED HEADLIGHTS

### HIGH POWER LED 7" PROJECTION LIGHT W/ DUAL COLOR HALO

- Unique retro look with vintage style front lens pattern design
- Super bright 2,700 lumen high beam (4 LEDs) and 1,200 lumen projector low beam (single LED)
- Solid state design resists shock and vibration, IP67 water resistant rating
- Easy installation. Plugs into existing headlight wiring harness
- Note: Due to large heat sink, modification to headlight bucket might be required
- LED halo requires additional wiring installation. Wiring color code: Red= White LED halo, Yellow= Amber LED halo
- For off-road and show use only

**HEATED 7" LED HEADLIGHTS****HEATED 7" LED HEADLIGHT W/ POLYCARBONATE LENS**

- Features a heating system that automatically de-ices and defrosts the headlight lens
- Integrated monitoring system to turn off heating when snow & ice has cleared from lens
- Durable corrosion resistant polycarbonate lens, rear housing & electronics resist shock and vibration
- Easy plug-in design with standard H4 style connector plug for ease of installation
- Low beam 500 lumens, High beam 950 lumens, 5700 Kelvin color temperature.  
Not compatible with factory equipped LED headlights
- Operates on 12 volts, and 24 volts DC
- DOT/SAE, FMVSS 108

**34138****HEATED 7" LED HEADLIGHT WITH WHITE POSITION LIGHT**

- Features a heating system that automatically de-ices and defrosts the headlight lens
- Integrated monitoring system to turn off heating when snow & ice has cleared from lens
- Powerful 5700K white LEDs with 500 lumens on low function and 1900 lumens on high function
- Durable glass lens with heavy duty corrosion resistant aluminum housing. Resists shock and vibration
- Super bright white center position light bar with 4 LEDs. Position light wiring required
- Easy plug-in design with standard H4 style connector plug for ease of installation
- Compatible with any 12-24V DC setups
- Note: Due to large heat sink, modification to headlight bucket might be required
- DOT/SAE, FMVSS 108, IP67 water resistant rating
- Low function: draws 3.5A (heat on)/1.0A (heat off) at 12V
- High function: draws 5.3A (heat on)/2.5A (heat off) at 12V

# HEADLIGHT ACCESSORIES

## SINGLE TO DUAL FUNCTION LED CONTROL MODULE

- Easily convert any single function LED auxiliary or position lights to dual function high/low brightness
- Perfect for UP #31378 and #31379 so that the 34 LED accent lights can serve as an auxiliary signal light
- Built-in split operation for motorcycle applications
- Simple wiring design, instructions included
- One module required per light. For 12VDC LED use only

**31372**

## 3 CONTACT FEMALE HEADLIGHT PIGTAIL - H4 BULB

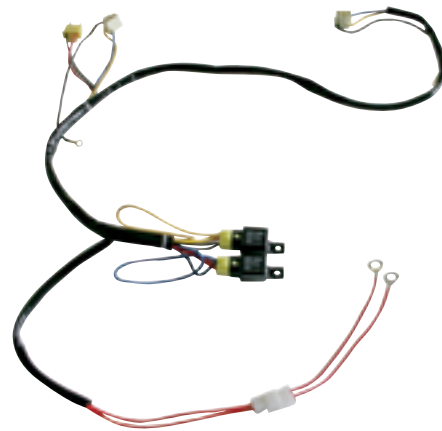

- High heat resistance 21" long nylon wires in black, green and red color
- 3 contact female pigtail for H4 halogen bulb
- OEM # 01A-13076
- Ships in bulk packaging

**34222**

## H4 HEADLIGHT RELAY HARNESS KIT

- H4 headlight relay harness kit
- Sends high amperage to headlamps
- Corrects dim lights on classic cars and hot rods
- Works on original style 6014 sealed beams
- Works with any 12V DC system

**34263**

## 9007 HEADLIGHT RELAY HARNESS

- Sends high amperage to headlamps
- Corrects dim lights on classic cars and hot rods
- Select proper kit to match your type of headlamp bulbs
- 12 volt

**34265**

## LED HEADLIGHT PWM ANTI-FLICKER MODULE

- Works with most vehicles using pulse width modulated electrical system, such as 2007-present jeep JK
- Eliminates flicker on LED headlamps
- Adapts common h13 plug to H4 plug used by most LED headlights

**34217B**

# HEADLIGHT ACCESSORIES/SPOT LIGHT

## HIGH POWER H4 LED BULB WITH FAN

- 23W low beam application, 25w high beam application
- 1800 lumen low beam output, 2400 lumen high beam output
- Includes driver/controller for easy installation, replaces any H4 bulb. driver/controller is approximately 2-3/16" l X 7/8" w X 5/8" h

**36512**

## H4 CLEAR HALOGEN BULB

- 12V H4 halogen bulb
- Triple contact

**30355**

- New and improved 2022 version with slimmer heat sink
- Quality acrylic glass lens with diecast aluminum housing
- 12-24V DC, 3100 lumens, 34W total power
- Solids & liquid protection rating: IP-67
- 3 year warranty

**36516**

# TAIL LIGHTS/BEZELS

## 1967-77 FORD BRONCO & 1967-72 FORD TRUCK LED SEQUENTIAL TAIL LIGHT INSERT BOARDS

- Super bright led circuit board installs behind existing lens
- Dual function with tail light & bright stop/turn signal
- Features sequential operation with selector switch to select sequential function ON/OFF
- Features sequential once brake attention function
- Easy electrical connection with 1157 plug, no modification
- Requires United Pacific LED turn signal flasher, item # 90652
- Sold in pairs

110497

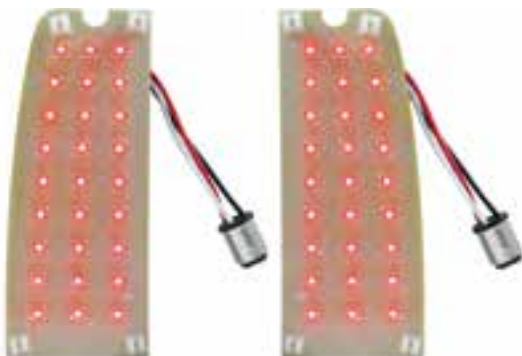

## 1966-77 FORD BRONCO

### BILLET ALUMINUM TAIL LIGHT BEZELS

- CNC milled out of a single solid aluminum block
- Durable anodized for a tough off-road look
- Fits to the original tail light lens mounting holes
- Foam gaskets and socket head screws included
- Sold as set

110583 | CLEAR ANODIZED

110584 | SATIN BLACK ANODIZED

## 1966-77 FORD BRONCO & 1967-72 FORD TRUCK LED TAIL LIGHT INSERT BOARDS

- Super bright LED circuit board installs behind existing lens
- Dual function with tail light & bright stop/turn signal
- Epoxy coated, fully sealed electronics
- Easy electrical connection with 1157 plug, no modification
- Requires United Pacific LED turn signal flasher, item # 90652
- Sold in pairs or individually

FTL6772LED-PR | Pair

FTL6772LED-L | Left

FTL6772LED-R | Right

## 1966-77 FORD BRONCO

### TAIL LIGHT LENS GASKET

- Fits between tail light housing and lens
- White foam rubber as original
- Sold in pairs

F677203

# TAIL LIGHTS

1978-79 FORD BRONCO

## TAIL LIGHT LENS

- Great looking replacement lens
- Injection molded from high quality polycarbonate plastic
- Sold individually, please specify driver side or passenger side

**110112 | Driver L/H**

**110113 | Passenger RH**

1980-86 FORD BRONCO & TRUCK

## TAIL LIGHT

- Quality plastic lens with original reflective features and detail
- Special protective coating on lens to prevent UV caused fading and hazing
- Durable rear housing with OE light socket type openings
- DOT/SAE, FMVSS 108

**111016 | Driver L/H**

**111017 | Passenger RH**

1987-89 FORD BRONCO & STYLESIDE TRUCK

## TAIL LIGHT ASSEMBLY

- Great looking replacement lens for 1987-89 full size Bronco & Styleside Truck
- Sold individually, please specify driver side or passenger side

**110170 | Driver L/H**

**110171 | Passenger RH**

1990-96 FORD BRONCO & STYLESIDE TRUCK

## TAIL LIGHT ASSEMBLY

- Great looking replacement lens for 1990-96 full size Bronco & Styleside Truck
- High quality injection molded polycarbonate lens
- Fully assembled for easy and straight forward replacement
- Sold individually, please specify driver side or passenger side

**110172 | Driver L/H**

**110173 | Passenger RH**

# LICENSE LIGHT/3RD BRAKE LIGHT

UNIVERSAL

## LICENSE PLATE LIGHT & BRACKET W/ LIGHT

- Chrome license plate light & bracket with red LED 3rd brake light - red LED/red lens
- New and improved with SMD LED's for more lumen out put, better heat dissipation, longer life
- Beautiful chrome die cast metal light housing with 5 LED light, and 11 LED license plate light
- Mounts to any surface with 2 mounting studs on back, 5-1/2" center-to-center
- New and improved with SMD LED's for more lumen out put, better heat dissipation, longer life
- Beautiful chrome die cast metal light housing with 5 LED light, and 11 LED license plate light
- Mounts to any surface with 2 mounting studs on back, 5-1/2" center-to-center

**S2007LED**

CHROME SWIVEL PEDESTAL BASE

## 10 LED DUAL FUNCTION 3RD BRAKE LIGHT

- 10 LED DUAL function 3rd brake light with chrome swivel pedestal base - red led/red lens
- Polycarbonate lens sonically sealed to housing to prevent moisture intrusion
- Energy efficient solid-state circuit board engineered for 12V DC systems
- Dual function red LEDs, perfect for use as a driving and 3rd brake light
- Designed with adjustable base mount for inside rear window installation
- Beautiful chrome plated housing and 180-degree swivel mounting base

**33009**

UNIVERSAL

## LICENSE PLATE LIGHT W/ 3RD BRAKE LIGHT

- Chrome license plate light with red LED 3rd brake light - red LED/red lens
- New and improved with SMD LED's for more lumen out put, better heat dissipation, longer life
- Beautiful chrome die-cast art-deco design light housing
- Includes mounting pad with lip and mounting hardware
- Mounts to any surface with 2 mounting studs on back, 5-1/2" center-to-center
- 5 rear facing LED light to function as a 3rd brake light, backup light, or auxiliary light
- 1 downward facing white LED as license plate light

**110203**

CHROME SWIVEL PEDESTAL BASE

## 10 LED DUAL FUNCTION 3RD BRAKE LIGHT

- 10 LED DUAL function 3rd brake light with chrome swivel pedestal base - red led/clear lens
- Polycarbonate lens sonically sealed to housing to prevent moisture intrusion
- Energy efficient solid-state circuit board engineered for 12V DC systems
- Dual function red LEDs, perfect for use as a driving and 3rd brake light
- Designed with adjustable base mount for inside rear window installation
- Beautiful chrome plated housing and 180-degree swivel mounting base

**33013**

# 3RD BRAKE LIGHT

CHROME SWIVEL PEDESTAL BASE

## 10 LED SPLIT FUNCTION 3RD BRAKE LIGHT

- 10 LED split function 3rd brake light with chrome swivel pedestal base - red led/red lens
- Polycarbonate lens sonically sealed to housing to prevent moisture intrusion
- Energy efficient solid-state circuit board engineered for 12V DC systems
- Split function red LEDs, perfect for use as driving and turn signal lights
- Designed with adjustable base mount for inside rear window installation
- Beautiful chrome plated housing and 180-degree swivel mounting base

**33010**

BLACK SWIVEL PEDESTAL BASE

## 10 LED DUAL FUNCTION 3RD BRAKE LIGHT

- 10 LED split function 3rd brake light with black swivel pedestal base - red led/red lens
- Polycarbonate lens sonically sealed to housing to prevent moisture intrusion
- Energy efficient solid-state circuit board engineered for 12V DC systems
- Dual function red LEDs, perfect for use as a driving and 3rd brake light
- Designed with adjustable base mount for inside rear window installation
- Black painted housing and 180-degree swivel mounting base

**33011**

BLACK SWIVEL PEDESTAL BASE

## 10 LED SPLIT FUNCTION 3RD BRAKE LIGHT

- 10 LED split function 3rd brake light with black swivel pedestal base - red led/red lens
- Polycarbonate lens sonically sealed to housing to prevent moisture intrusion
- Energy efficient solid-state circuit board engineered for 12V DC systems
- Split function red LEDs, perfect for use as driving and turn signal lights
- Designed with adjustable base mount for inside rear window installation
- Beautiful chrome plated housing and 180-degree swivel mounting base

**33012**

BLACK SWIVEL PEDESTAL BASE

## 10 LED DUAL FUNCTION 3RD BRAKE LIGHT

- 10 LED split function 3rd brake light with black swivel pedestal base - red led/clear lens
- Polycarbonate lens sonically sealed to housing to prevent moisture intrusion
- Energy efficient solid-state circuit board engineered for 12V DC systems
- Dual function red LEDs, perfect for use as a driving and 3rd brake light
- Designed with adjustable base mount for inside rear window installation
- Black painted housing and 180-degree swivel mounting base

**33014**

# MODULE/LOAD RESISTORS

UNIVERSAL

## BRAKE ATTENTION MODULE

- Upon applying the brakes, this electronic device rapidly flashes the third brake light (or both brake lights)
- For a second or two to gain the attention of the driver behind you
- Maximum capacity of 1.5 amp

**90655**

UNIVERSAL

## LED FLASHER - 12V, 3 TERMINAL

- For use with all vehicles that are changed to LED tail lights and front turn signals
- Works with any 12V DC system, 20 amp max
- Has P terminal for single dash indicator light
- Recommend use with turn signal switches 5007R or A5007 on 12 volt vehicles

**90651**

COMPETITION SERIES

## LOAD RESISTOR - 50 WATT/6 OHM

- 50w/6 ohm LED load resistors for LED turn signal lights or LED license plate lights
- Eliminate LED turn signal problems, such as hyper flashing, no flashing, or burnt out bulb indication
- Simulates the load of an incandescent bulb to solve most LED issues
- Aluminum housing with proprietary heat management allows installation in most locations
- Kit includes two load resistors and 4 connectors

**34235 | Pair**

UNIVERSAL

## LED FLASHER W/ REVERSE POLARITY BASE

- LED flasher with reverse polarity base & extension wires
- Designed for 12V application, 20 amp maximum
- Solves turn signal problems, such as hyper flashing, no flashing, or burnt out bulb indication when using LED lights and bulbs
- Includes polarity reversing base & extension wires

**90649**

UNIVERSAL

## LED FLASHER W/ POLARITY REVERSING

- LED flasher with reverse polarity reversing adapter 12V
- Use on vehicles with LED tail lights, front turn signals & side marker
- Simply replaces the original 552, or 536 under dash flasher, easy plug-in design
- Includes 2-terminal flasher (90650) & polarity reversing adapter (90650a)
- Works with any 12V DC system, 20 amp max

**90652**

UNIVERSAL

## LOAD RESISTOR - 50 WATT, 6 OHM

- Simulate the load of an incandescent bulb
- Aluminum housing with heat sink allows installation in most locations
- Eliminate hyper flashing, no flashing, or burnt out bulb indication associated with LED conversions
- Includes one load resistor and 2 quick splice connectors

**34205**

# DUAL LED 1156/1157 BULBS

1156 BULB

## HIGH POWER DUAL LED 1156 BULB - AMBER

- Bright 2 watt Osram LED, 250 lumens
- Single contact, straight pin

**36928**

1157 BULB

## HIGH POWER DUAL LED 1157 BULB - AMBER

- Bright 2 watt Osram LED, 250 lumens
- Double contact, offset pin

1157 BULB

## HIGH POWER DUAL LED 1157 BULB - RED

- Bright 2 watt Osram LED, 250 lumens
- Double contact, offset pin

**36934**

1156 BULB

## HIGH POWER DUAL LED 1156 BULB - WHITE

- Bright 2 watt Osram LED, 250 lumens
- Single contact, straight pin

**36931**

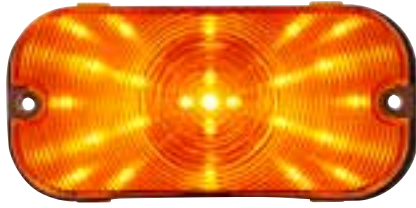

1157 BULB

## HIGH POWER DUAL LED 1157 BULB - WHITE

- Bright 2 watt Osram LED, 250 lumens
- Double contact, offset pin

**36935**

# PARKING/SIGNAL LIGHTS

**25LEDs**

**DUAL  
FUNCTION**

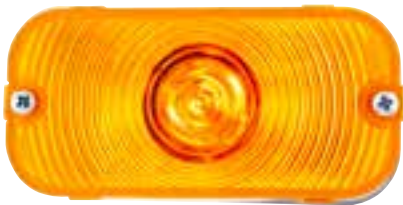

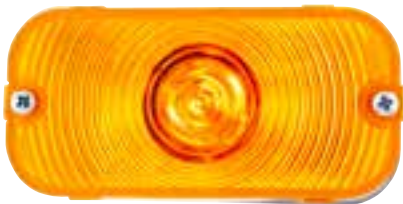

**EASY  
PLUG-IN**

1966-68 FORD BRONCO

## 25 LED AMBER PARKING/SIGNAL LIGHT

- LED Dual function, parking light and turn signal
- Super bright amber LED with amber acrylic lens
- Epoxy coated, fully sealed electronics, 1157 plug
- Fits left hand and right hand
- Gasket included

**110858**

1966-68 FORD BRONCO

## PARKING LIGHT - AMBER LENS

- Quality reproduction of original style lens and back housing
- Assembled with original style lens gasket and hardware
- Amber 1157 bulb included
- Wired with OE style 2-pin connector

**111130**

1966-68 FORD BRONCO

## PARKING LIGHT - CLEAR LENS

- Quality reproduction of original style lens and back housing
- Assembled with original style lens gasket and hardware
- Amber 1157 bulb included
- Wired with OE style 2-pin connector

**111104**

# PARKING/SIGNAL LIGHTS

1969-77 FORD BRONCO & 1959-64 TRUCK

## 35 LED PARKING/SIGNAL LIGHT

- 35 LED dual function, parking light and turn signal
- Super bright amber LED with amber acrylic lens
- Epoxy coated, fully sealed electronics, 1157 plug
- Fits left hand and right hand
- Also fits 1968-74 Econoline

**110382 | LED Parking/Signal Light**

**110803 | Front Parking Light Gasket**

1969-77 FORD BRONCO & 1959-64 TRUCK

## PARKING LIGHT - AMBER LENS

- Quality reproduction of original style lens and back housing
- Assembled with original style lens gasket and hardware
- Amber 1157 bulb included
- Wired with OE style 2-pin connector

**111131**

1969-77 FORD BRONCO & 1959-64 TRUCK

## PARKING LIGHT - CLEAR LENS

- Quality reproduction of original style lens and back housing
- Assembled with original style lens gasket and hardware
- Amber 1157 bulb included
- Wired with OE style 2-pin connector

**111105**

1969-77 FORD BRONCO

## ANODIZED BILLET ALUMINUM TURN SIGNAL BEZEL

- Clear anodized, beautifully CNC milled from billet aluminum
- Durable anodized finish to increase corrosion resistance while keeping the machined finished look
- Mounts between the front turn signal bucket and the grille
- Includes mounting gaskets

**110837 | Pair**

1969-77 FORD BRONCO

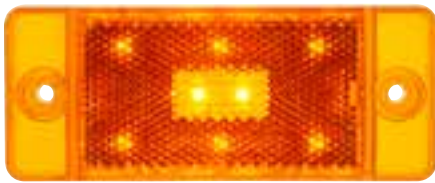

## BLACK ANODIZED BILLET ALUMINUM TS BEZEL

- Black anodized beautifully CNC milled from billet aluminum
- Durable anodized finish to increase corrosion resistance while keeping the machined finished look
- Mounts between the front turn signal bucket and the grille
- Includes mounting gaskets

**110838 | Pair**

## SIDE MARKER/BEZELS

8 LEDs

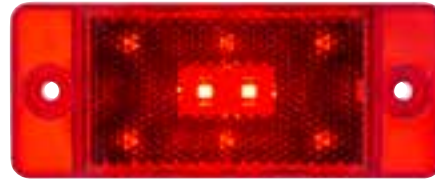

1970-77 FORD BRONCO

### LED SIDE MARKER/SIGNAL LIGHT - AMBER

- 8 LED dual function, parking light and turn signal
- Super bright amber LED with amber acrylic lens
- Epoxy coated, fully sealed electronics
- Fits left hand and right hand
- Also fits 1970-74 Econoline

110804 | AMBER

8 LEDs

1970-77 FORD BRONCO

### LED SIDE MARKER/SIGNAL LIGHT-REAR

- 8 LED dual function, parking light and turn signal
- Super bright amber LED with red acrylic lens
- Epoxy coated, fully sealed electronics
- Fits left hand and right hand
- Also fits 1970-74 Econoline

110805 | RED

1970-77 FORD BRONCO

### ANODIZED BILLET ALUMINUM SIDE MARKER BEZEL

- Clear anodized, beautifully CNC milled from billet aluminum
- Durable anodized finish to increase corrosion resistance while keeping the machined finished look
- Includes two stainless steel screws and mounting gasket
- Also fits 1970-74 Econoline, and rear only on 1970-72 F100, F150, & F250
- Sold each

110772

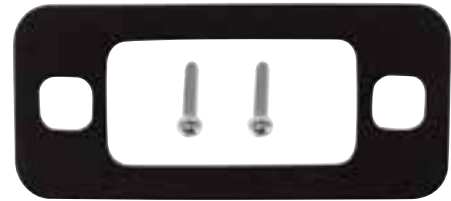

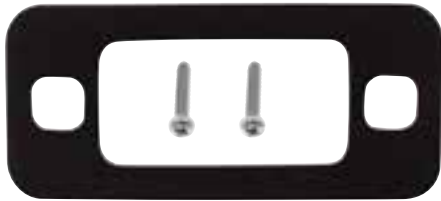

1970-77 FORD BRONCO

### BLACK ANODIZED BILLET ALUMINUM SM BEZEL

- Black anodized, beautifully CNC milled from billet aluminum
- Durable anodized finish to increase corrosion resistance while keeping the machined finished look
- Includes two stainless steel screws and mounting gasket
- Also fits 1970-74 Econoline, and rear only on 1970-72 F100, F150, & F250
- Sold each

110773

## SIDE MARKER/BEZELS

1970-77 FORD BRONCO

### **ANODIZED BILLET ALUMINUM SIDE MARKER BEZEL**

- Clear anodized, beautifully CNC milled from billet aluminum
- Durable anodized finish to increase corrosion resistance while keeping the machined finished look
- Includes two stainless steel screws and mounting gasket
- Fits left hand and right hand
- Also fits 1970-74 Econoline, and rear only on 1970-72 F100, F150, & F250
- Sold each

**110774**

1970-77 FORD BRONCO

### **BLACK BILLET ALUMINUM SIDE MARKER BEZEL**

- Black anodized, beautifully CNC milled from billet aluminum
- Durable anodized finish to increase corrosion resistance while keeping the machined finished look
- Includes two stainless steel screws and mounting gasket
- Fits left hand and right hand
- Also fits 1970-74 Econoline, and rear only on 1970-72 F100, F150, & F250
- Sold each

**110775**

## EXTERIOR MIRRORS

# EXTERIOR MIRRORS

1966-77 FORD BRONCO & 1967-79 TRUCK

## CHROME EXTERIOR MIRROR W/LED TURN SIGNAL

- Exceptional quality die cast metal and beautifully chrome plated
- Special behind-the-mirror LED design, hidden when not in use
- Easy 12V hookup, just route wire through door jamb and connect to front turn signal wires under dash near steering column
- Includes mounting pad and screws
- Sold each

**110736 | Driver L/H**

1966-77 FORD BRONCO & 1967-79 TRUCK

## CHROME EXTERIOR MIRROR/CONVEX LED

- Beautiful high quality chrome plated finish with triple chrome plating process. Exceptional quality die-cast
- Special behind-the-mirror LED design, hidden when not in use
- LED turn signal arrow for safety and visibility when changing lanes
- Easy 12V hookup, just route wire through door jamb and connect to front turn signal wires under dash near steering column
- Includes mounting pad and screws
- Wiring code: wire with white stripe is positive, solid is negative
- Convex mirror for wide angle visibility

**110738 | Passenger RH**

1966-77 FORD BRONCO

## CHROME EXTERIOR CONVEX MIRROR R/H

- Exceptional quality die cast metal and beautifully chrome plated
- Convex mirror for wide angle visibility
- Includes mounting pad and screws
- Sold each

**110737 | Passenger R/H**

# EXTERIOR MIRRORS

1966-77 FORD BRONCO & 1967-79 TRUCK

## CHROME EXTERIOR MIRROR L/H

- Beautiful high quality chrome plated finish with triple chrome plating process
- Exceptional quality zinc die-cast
- Right-hand side feature convex mirror glass
- Includes mounting pad and screws

**110735 | Driver L/H**

1966-77 FORD BRONCO & 1967-79 TRUCK

## BLACK EXTERIOR MIRROR - L/H OR R/H

- Exceptional quality zinc die-cast
- Satin black mirror housing and mounting arm
- Includes mounting pad and screws
- Suitable for left-hand or right-hand application

**111010**

# REAR VIEW MIRRORS

1966-77 FORD BRONCO & 1964.5-66 MUSTANG

## CHROME REAR VIEW MIRROR DAY/NITE

- Beautiful high quality chrome plated finish with triple chrome plating process
- High quality mirror glass face
- Features day/night function with chrome plated day/nite script

**F646603**

1966-77 FORD BRONCO & 1968-69 MUSTANG

## CHROME REAR VIEW MIRROR DAY/NITE

- Beautiful high quality chrome plated finish with triple chrome plating process
- Exceptional quality die-cast
- Includes mirror head mounting screw

**110710**

8"

## BLACK DAY/NIGHT INTERIOR REARVIEW

- 8" Black day/night interior rearview mirror assembly, glue-on mount
- Convenient day/night feature
- Mounting plate included
- Convenient day/night feature
- Mounting plate included

**60052**

10"

## BLACK DAY/NIGHT INTERIOR REARVIEW

- 10" Black day/night interior rearview mirror assembly, glue-on mount
- Convenient day/night feature
- Mounting plate included
- Convenient day/night feature
- Mounting plate included

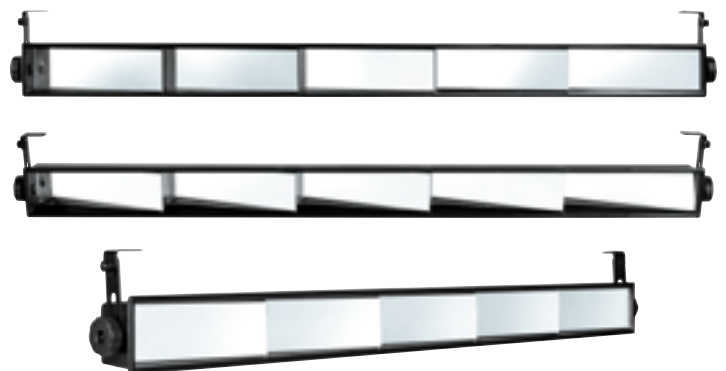

**60053**

UNIVERSAL

## PANORAMIC 5-PANEL REARVIEW MIRROR

- 5-panel mirror design provides wider rear view
- Easy installation in most cars, trucks & power sports vehicles
- Mounting hardware & instruction included
- May interfere with sun visors on some applications
- Recommended for performance & off-road vehicles

**60051**

# HOODS

1966-77 FORD BRONCO

## **HOOD WITH WASHER HOLES & VENTS**

- Die stamped with high quality 18 gauge sheet metal
- Uses the early 66-69 style hood rod prop location
- Pre-drilled fold down windshield u-bolt mounting holes with reinforced center brace
- Also has air box vent openings and washer mounting holes
- Black EDP coated finish
- Oversize freight policy

**110460**

1966-77 FORD BRONCO

## **HOOD WITH VENTS**

- Die stamped with high quality 18 gauge sheet metal
- Uses the early 66-69 style hood rod prop location
- Has air box vent openings and washer mounting holes
- Black EDP coated finish
- *Oversize freight policy*

**110461**

1966-77 FORD BRONCO

## **HOOD WITH WASHER HOLES & VENTS**

- Die stamped with high quality 18 gauge sheet metal
- Uses the 70-77 style hood rod prop location
- Has air box vent openings and washer mounting holes
- Black EDP coated finish
- *Oversize freight policy*

**110462**

# GRILLES

1966-68 FORD BRONCO

## GRILLE WITHOUT LOGO - BLACK EDP

- Die stamped with high quality 16 gauge sheet metal
- Feature all of the original contour detail and mounting brackets for the early small round signal lights
- Smooth center bar design without Ford letters to keep that clean front end look
- Black EDP coated finish
- Headlight adjusters included
- Oversize freight policy

110513

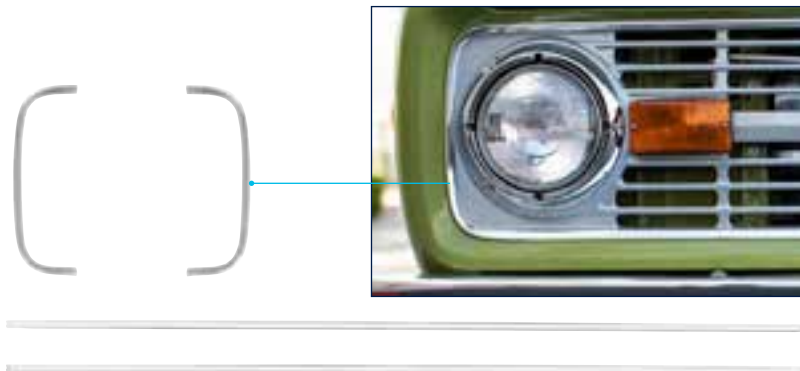

1969-77 FORD BRONCO

## GRILLE WITHOUT LOGO - BLACK EDP

- Die stamped with high quality 17 gauge sheet metal
- Feature all of the original contour detail and mounting brackets for the larger round signal lights
- Smooth design to keep that clean front end look
- Black EDP coated finish
- Headlight adjusters included
- Oversize freight policy

110515

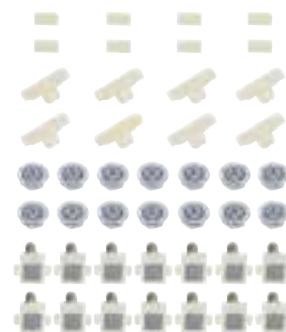

1966-77 FORD BRONCO

## POLISHED ALUMINUM GRILLE TRIM MOLDING KIT

- Beautiful polished high quality aluminum extrusion with clear anodizing
- Overlapped connecting ends just like original
- Original connecting ends just like original

110594

1966-77 FORD BRONCO

## CHROME "BRONCO" GRILLE LETTER SET

- Beautifully chrome plated with triple chrome plating process
  - Exceptional quality die-cast with gloss red inlay
  - 12 speed nuts included
  - Excellent upgrade for all 1966-77 Ford Broncos
  - Drill template included for easy installation
  - Unique design made for aftermarket smooth style grilles without FORD lettering
  - Official licensed product by Ford Motor Company
- 110499**

1966-77 FORD BRONCO

## CHROME BRONCO EMBLEM

- Beautifully chrome plated with triple chrome plating process
  - Highly detailed bucking bronco
  - Approximately 3 1/2" wide x 2 1/8" tall
  - Double sided tape included
- 50130**

1966-77 FORD BRONCO

## FRONT/REAR BUMPER

- Made with heavy 1/8" thick sheet metal
- Fits front or rear
- Features all original square shaped mounting holes
- Polished stainless steel bumper bolt set sold separately
- *Oversize freight policy*

**110465 | Chrome**

**110466 | Black**

**110536 | Bumper bolt set**

# FENDERS

1966-77 FORD BRONCO

## FRONT FENDERS WITHOUT HOLES

- Die stamped with high quality 19 gauge sheet metal
- Features all original fender curvature and mounting pattern
- Finished with black EDP protective coating to keep your new steel fresh and rust-free
- Without any side marker pocket and emblem mounting holes

**110463** | Driver L/H

**110464** | Passenger RH

1970-77 FORD BRONCO

## FRONT FENDERS WITH HOLES

- Die stamped with high quality 19 gauge sheet metal
- Features all original fender curvature and mounting pattern
- Precision punched mounting holes for 70-77 side marker and original standard style pin-on "Bronco" fender emblem
- Finished with black EDP protective coating to keep your new steel fresh and rust-free

**110903** | Driver L/H

**110904** | Passenger RH

# FENDER HARDWARE

1966-77 FORD BRONCO

## FRONT FENDER APRON

- Quality 20 gauge stamped steel
- Features all original contour and mounting patterns for front fender installation
- Coated with weldable primer
- Sold individually, please specify left or right side

**110365 | Driver L/H**

**110364 | Passenger RH**

1966-77 FORD BRONCO

## 18FT FENDER FLARE ROLL

- 18ft roll of fender flare welting
- Welting mounts between the flare and the body to provide a finished edge
- 1/16" bead, 1 1/4" wide, 1/16" thick, heat & UV resistant black PVC material
- Each 18' roll is enough for 2 flares, 2 sets required for full bronco

**110539**

1966-77 FORD BRONCO

## FRONT FENDER LOWER BRACE WITH J-NUTS

- High quality die-stamped 18 gauge sheet metal
- Features strengthening gusset just like original
- Includes 5/16-18 J-nuts for easy installation to fender and fender apron
- Zinc plated finish for corrosion resistance

**110596**

1966-77 FORD BRONCO

## FRONT FENDER SUPPORT BRACKET

- Heavy duty steel rod with flattened ends
- Same exact length as original for easy installation
- 5/16-18 threaded mounting holes
- Zinc plated finish for corrosion resistance

**110592 | L/H**

**110593 | RH**

1966-77 FORD BRONCO

## QUARTER PANEL SUPPORT BRACKETS

- Heavy duty steel rod with flattened ends
- Same exact length as original for easy installation
- 1/4-20 threaded mounting holes
- Zinc plated finish for corrosion resistance

**110591**

# RADIATOR SUPPORT/FIREWALL

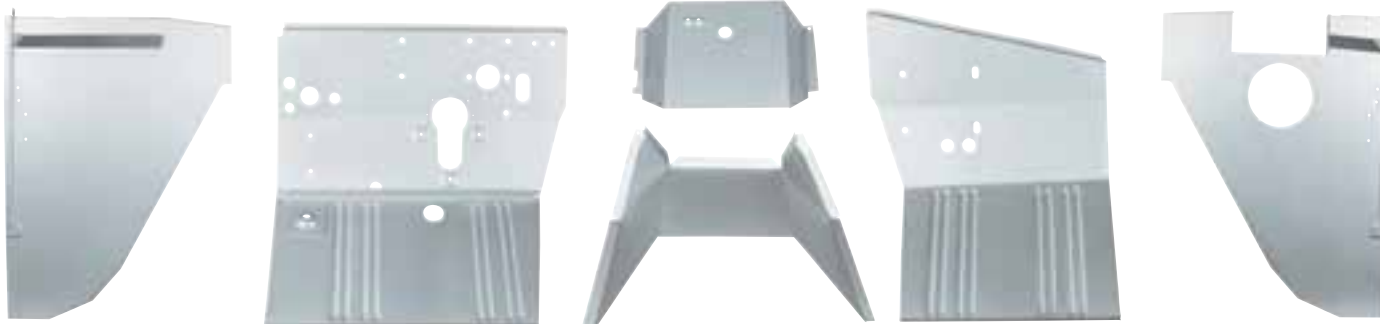

1966-77 FORD BRONCO

## **RADIATOR SUPPORT**

- Die stamped 16 gauge sheet metal with reinforcing steel gussets
- Includes heavy 12 gauge lower radiator support brackets & cradles
- Coated in weldable primer

**110385**

1966-77 FORD BRONCO

## **FIREWALL KIT**

- Excellent quality steel Firewall Kit
- Made with excellent quality 18 gauge sheet metal
- Features all original 1966 contour detail and cutouts
- Coated with weldable primer
- Kit includes: left & right kick panel, left & right dash panel, upper & lower dash panel, cowl lower panel
- User assembly is required
- *Oversize freight policy*

**110535**

1966-77 FORD BRONCO

## **OUTER COWL SIDE PANEL**

- Heavy 18 gauge stamped sheet metal as original
- Coated in weldable primer
- Sold individually, please specify left or right side

**110240 | Driver L/H**

**110241 | Passenger RH**

# DASH ASSEMBLY/WINDSHIELD FRAME

1966-77 FORD BRONCO

## DASH PANEL ASSEMBLY

- Die stamped with quality 20 gauge sheet metal
- Features the later 73-77 original style contour and components cutouts
- Single din radio cutout for easy installation of modern head units
- Coated in weldable primer

110502

1966-77 FORD BRONCO

## WINDSHIELD FRAME

- Accurate reproduction with all of the original contours and details
- Roll-formed with 16 gauge steel, black EDP coated finish
- Windshield frame includes windshield hinge attached
- OEM Number: C9TZ-9703114-A
- Oversize freight policy

110397

1968-77 FORD BRONCO

## WINDSHIELD TO COWL MOUNT

- Essential component for connecting the firewall and the front windshield hinge
- Die stamped with 18 gauge steel, coated in weldable primer

110349

1966-77 FORD BRONCO

## COWL BRACES 4PC. SET

- High quality 17 and 19 gauge stamped steel
- Black EDP coated finish
- Fill the empty upper corner area between the windshield cowl mount and the a-pillar

110590

# WINDSHIELD PARTS/WIPERS

1966-77 FORD BRONCO

## WINDSHIELD FRAME HINGE

- Original piano hinge design
  - Heavy duty 16 gauge steel, black EDP coated finish
- 110398**

1966-77 FORD BRONCO

## WIPER ARM & BLADE KIT

- Perfect upgrade for classic 1966-77 Ford Broncos
  - Polished stainless steel wiper arms with chrome plated shaft mounts
  - Kit includes two wiper arms and two 12" wiper blades
- 110299**

0.55" DIA SHAFT

## CHROME WIPER SHAFT BULLETS (PAIR)

- Beautiful high quality chrome plated finish with triple chrome plating process
  - Securely mounts onto wiper shaft via included set screws
  - Matching hex key also included
  - Larger 5/8" diameter shaft bullet also available, item #C4041L
- C4041**

1966-77 FORD BRONCO

## SS WINDSHIELD FRAME HINGE

- High quality 304 grade 16 gauge stainless steel
  - Feature machine punched holes for plug welding to windshield and cowl top panel
  - Two zinc plated J-bolts with serrated flange nuts included
  - Notch and large hole for wiper motor wiring pass-through
- 110595**

0.5" S DIA HAFT

## CHROME WIPER SHAFT CAP (PAIR)

- Beautiful high quality chrome plated finish with triple chrome plating process
  - Exceptional quality die-cast
  - Dress up the wiper shaft when wiper arms are not in use
  - Easy installation and removal with included set screw & Allen wrench
- 110823**

5/8" DIA SHAFT

## Terms & Conditions / Ordering Guidelines / Freight Policy

---

### New Accounts

Initial buy-in amount and/or quantity is to be determined by United Pacific Industries, UPI hereafter. All initial orders must be prepaid in advance by Cashier's Check or VISA/MC/AMX. All new/potential accounts must complete a UPI "New Dealer Info/Credit Form" and follow the Dealer Qualification Instructions. Upon completion of the credit application, approved accounts will be assigned payment terms of NET 30 Days (from invoice date). Accounts denied a credit line will be required to prepay in advance by Cashier's Check, ACH (Automated Clearing House) or Bank wire, or VISA/MC/AMX.

### Payment Terms

Term Accounts: Accounts with NET 30 Days terms are required to submit payment within the 30 days from the date of invoice. Acceptable forms of payment include checks, ACH, or wire transfer.

A service charge of 1.5% per month will be imposed on invoices not paid within the 30-day term. Delinquent accounts will be required to pay CIA (Cash-In-Advance). Checks will be accepted but orders will not be released until the check is cleared by the bank. Past due invoices will delay current orders. Please check with UPI on your account status when placing an order.

### Credit Cards

Accounts denied credit terms may be offered the option to pay by Visa, MasterCard or American Express. The credit card will be charged upon shipment. A 3% service fee will be added to the invoice. Credit card payments will not be accepted once an order has been shipped. UPI does not accept Discover card.

### COD

There is no COD payment offered.

### Returned Checks

A \$30.00 NSF (Non-Sufficient Fund) fee will be assessed on each incidence a check is returned to UPI.

## Ordering Guidelines

### Placing Orders

New orders and PO's may be placed by any of the following methods:

- Dealer Portal
- Fax: (888) 986-6088
- Email: antique@upauto.com
- Telephone: In order to minimize errors, dealers are encouraged to submit their orders by fax or email. Telephone orders are generally not preferred as to minimize errors. Utilize one of the methods above for placing orders.

### Changes to Orders

Once orders are released for picking changes are no longer possible. Dealers will have to submit a new PO for any additional items needed.

### Cancelling Orders

Cancellation of Stock orders must be submitted via fax or email within 24 hours of the order date. If the Stock order has already shipped it will be the dealer's responsibility to return the order at the dealer's own expense. A restocking fee may apply, please see "Return" policy for further detail. Drop Ship orders cannot be cancelled due to the priority processing.

### Backorders

Dealers have the option of having their backorders shipped or canceled. UPI will notify dealer as to availability of backorders and will be able to ship any backorder items dealer still needs as part of their next stock order. UPI reserves the right to cancel backorders that are 2 month or older from invoice date.

### Minimum Order

A minimum order of \$50.00 is required. Orders below \$50.00 will be assessed a minimum order fee of \$10.00.

### Packaging

A 10% service charge will be added to orders with special packaging or UPC barcoding requirements.

### Lead Times

Standard lead time for all United Pacific Stock orders is 5 business days from the receipt of the purchase order. Larger Stock orders may require a lead time of up to 7 business days. Drop Ship orders generally ship in 2 business days or less. Transit time of 3-5 business days must be considered when placing orders. UPI cannot be responsible for delays in shipment after an order leaves our warehouse. UPI will work to resolve delays with freight forwarding firms, however, delays do arise from time to time due to weather and unforeseen circumstances beyond UPI's control. Express orders are exempt; please view Freight/Shipping Policy for further detail.

### Order Confirmation

United Pacific will acknowledge receipt of orders by email or EDI (Electronic Data interchange) within 1 business day of receiving the PO. If confirmation is not received, please contact UPI to ensure your order was received.

## Freight Policy

### Stock Orders and drop ship orders for US and Canada

All Classic Car dealer orders will be fulfilled from the Long Beach, California location. All orders must be submitted via the dealer portal, emailed, faxed, or via EDI.

### Stock Orders for International, AK, HI.

All Classic Car dealer orders with a ship to location outside of the continental United States will be fulfilled from the Long Beach, California location and will be shipped to the dealer's shipping agent or broker within the continental United States in accordance with the US freight policy. NOTE: International dealers will be responsible for the duties and taxes of their respective country.

### Drop Ship Orders

Drop ship service is only available for orders with a ship to address within the 48 US States. A 5% handling fee will be added to all drop shipment orders. All drop shipment orders must be submitted via the dealer portal, emailed, faxed, or via EDI. No freight allowance or prepaid freight will be permitted for any drop shipment. Thus, all drop ship orders regardless of order size, are FOB Long Beach, California.

### Express Order

All express orders, such as Next Day, Second Day, 3 Day Service & Will Call, must be submitted via email, faxed, or via EDI. No freight allowance or prepaid freight will be permitted for any express NDA, 2-day or 3-day, Special Net Pricing orders, and Special Quote Pricing orders will be either FOB Long Beach, California. Order confirmation will be sent to the dealer for final approval. If confirmation is not received, please contact UPI to ensure your order was received. Dealers are required to approve express order confirmation & shipping costs. Cut off for an express order from Long Beach is 10:00AM PST. Orders received after the cutoff times will ship

## Freight Policy

the next business day. Due to the high cost of express shipments, a dealer may request United Pacific to notify them of freight charges. If a dealer does not request confirmation, United Pacific will ship the express order and invoice the dealer for shipping charges.

### Prepaid Freight - General

Freight costs on orders less than the prepaid minimums or express orders will automatically be added to the invoice. A dealer may request for their 3rd party shipping account to be used for freight charges. Any accessed freight charges or service fees imposed will be added to the invoice.

### Prepaid Freight - Minimum Amount

Stock orders between \$.01 and \$1,999.99 (US Lower 48 States and Canada), \$.01 and \$3,299.99 (Alaska and Hawaii) - all prices net US\$ - will be shipped FOB freight collect and freight charges will be added to the invoice. Stock orders of \$2,000.00 (US Lower 48 States and Canada), \$3,300.00 (Alaska and Hawaii) - all prices net US\$ - or more will be shipped Freight Prepaid Ground to a single location only.

### Oversize items

Many items due to their oversize dimensions and/or weight are excluded from the prepaid policy. These must ship freight collects and only ship LTL (no parcel). These include but are not limited to:

- 1932 Bodies #B20000-A, -B, -C, -D, -E
- Bronco Hood #110460, 110461, 110462
- C-10 Bed #110839, C-10 Bedside Panels #110829 / #110830.
- Some bumpers over 80"
- Only ship to one destination per purchase order

### Minimum Order Fee

A minimum order of \$50.00 is required. Orders below \$50.00 will be charged a minimum order fee of \$10.00, which will be added to the invoice.

### Will Call Orders - Long Beach, California

Will Call pickup hours are 8:30AM - 4:00PM PST. Account must be on open terms and have no past due balance. Will Call orders can be picked up in 1-3 days after placing the order. Dealers will receive their scheduled pick-up time in the order confirmation. Dealers should always call ahead to confirm when the order will be ready. Sorry, no same-day pick-up allowed.

### Order Changes

United Pacific utilizes state-of-the-art automated order fulfillment methods. This provides shorter lead-times and faster service. In some cases, however, changes to orders may not be possible due to the streamlining effect of the automation. Each request for an order change made by a dealer, however, will be evaluated on a case-by-case basis, although we can't guarantee to be able to accommodate all requests to change an order.

### Address Corrections

Incorrect or incomplete shipping addresses for orders shipped via UPS Ground may result in a service charge of \$21.00 per package up to maximum of \$147.00 per shipment. For orders shipped by Fed Ex Ground \$22.50 per package up to maximum of \$67.50 per shipment. Any address correction fees imposed on United Pacific will be invoiced to the dealer, so dealers should always check shipping address for accuracy before submitting POs.

### One SHIP TO Designation

Only one ship to location is permitted per purchase order. Combining multiple orders shipping to different locations to meet the prepaid minimum is not permitted.

### Carrier Selection/Shipping Origin/Ancillary fees:

United Pacific reserves the right to select the carrier and shipping origin. United Pacific is not responsible to pay a carrier for extra services such as liftgate fee, unloading fee, pallet breakdown fee, customs/clearance fees, detention fee, re-routing fees, address correction fees, inside delivery fees or storage fees. Extra service fees charged by the carrier will be invoiced back to the dealer. Service fees may take up to 30 days to post. The current liftgate fee is \$85.00. United Pacific reserves the right to alter or modify this policy.

### Carrier Delays

United Pacific is not responsible for, nor does United Pacific make any provision for, or offer of any restitution for, any delivery or transit delay once an order leaves their warehouse.

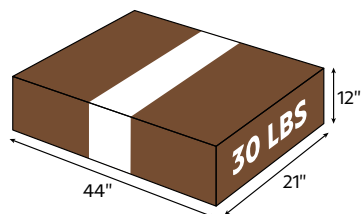

### Shipping Considerations/Package Category/Definitions

- Length is always the longest side of the box/package.
- Width is the second longest side of the box/package.
- Height will be the shortest side of the box/package.
- Surcharges assessed by carriers will be added to the invoice.

#### Category: Ground/Parcel

Provided **ALL** package dimensions do not exceed the sizing criteria below, there should not be any surcharges assessed by carriers.

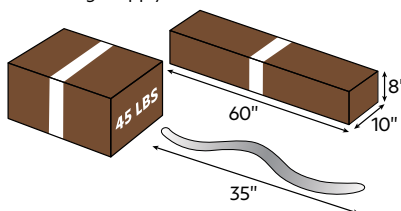

- If longest side of package is 48" or less.
- If second longest side of package is 30" or less.
- If weight of package does not exceed 50 lbs.
- All items must be shipped in cardboard box.

#### Category: Ground/Parcel with surcharge

If package dimensions exceed **ANY** of the sizing criteria below, there may be carrier surcharges added to standard shipping fees.

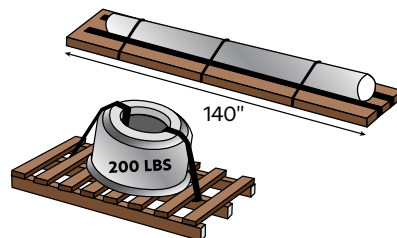

- If longest side of package between 49"-60".
- If second longest side is 31" or more.
- If length + girth of package is between 105in and 130". Example: on a box 80"x10"x8" formula is 80+10+10+8+8 = 106", so parcel surcharge applies.
- If weight of package is between 51-150 lbs.
- If item uses any package type instead of a standard cardboard box (i.e., plastic, wood pallet, styrofoam or shrink wrap) parcel surcharges apply.

#### Category: LTL Only

Ground/Parcel carriers **WILL NOT** accept packages that have **ANY** of the below sizing/weight criterion:

- If Longest side of packages is more than 108".
- If Length + Girth of package exceeds 165".
- If weight of package is over 150 lbs.

## Warranty / Returns

### Warranty

#### General Policy

UPI offers a NO HASSLE WARRANTY RETURN policy. Warranty claims can only be submitted through an authorized UPI Distributor. UPI warranty is not transferable and applies to the original installation and purchase only. UPI warranty varies by product and each item's warranty period is stated on UPI's product web page. In no event shall UPI be liable for incidental or consequential damages, nor shall UPI be liable for any claims or damages arising out of or connected with the UPI warranty which exceed the purchase price of the products.

There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. The warranty does not apply to products which are damaged or made defective by faulty or incorrect installation. UPI reserves the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.

Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way or installed contrary to normal installation and usage. In addition, UPI cannot be held liable for damages caused by road hazards, accidents, misuse, neglect, water intrusion, abuse or corrosive environments including acid washes and highway snow/ice chemicals which can cause discoloration and corrosion in aluminum, chrome, stainless steel, and light products. UPI reserves the right to credit returned merchandise at the initial purchase price or at the current selling price, which price ever is lower.

#### Aluminum / Chrome / Stainless Steel Products

Aluminum, chrome, and stainless-steel products carry either a limited 6-month warranty, or a limited 1-year warranty (from invoice date) against defects in material or workmanship. Check the product page on our website for specific warranty period.

All Grill Guards (Item # 80000): A) Stainless-steel materials and factory workmanship of the product itself carry a Limited Lifetime warranty. B) The stainless-steel polish and finish have a 12-month warranty. C) This warranty is provided only to the original purchaser/consumer, and on the original installation. Warranty is not transferable. Product failure or breakage due to accident/wreck or improper installation is not covered.

All mounting kits (Item # 80001, 80002, 80003, 80004, 80005): A) Steel Materials and factory workmanship on the sub-assembly bracket carry a Lifetime warranty. B) The painted or zinc finish has a 12-month warranty. C) Any ancillary components and parts (e.g., washers, bolts, spacers, etc.) which are not part of the sub-assembly carry a 12-month warranty. D) This Warranty is provided only to the original purchaser/consumer, and on the original installation. Warranty is not transferable. Product failure or breakage due to accident/wreck or improper installation is not covered.

#### Lighting Products

Incandescent Lighting:

All incandescent lighting products carry a limited 12-month warranty (from invoice date) against defects in material or workmanship. The limited 12-month warranty does not apply to several applications, such as, buses, construction equipment, and off-road vehicles.

LED Lighting:

All LED lighting products carry a specific Limited Warranty (from invoice date) against defects in material or workmanship.

- LED with vehicle-specific application is limited lifetime warranty to an original purchaser with receipt. Examples of lifetime warranty product: CTL5720LED for 1957 Chevy, FTL3201LED-L for 1932 Ford.
- LED Marker, 2", 2-1/2", 4", 7", Oval & Square Lights - Varies from 2 years to 10 years to Limited Lifetime, depending on specific item. The housing, bezel or mounting base on any light made from Chrome/Stainless carries a 6-month limited warranty.
- LED Cab Lights and Kits, Double/Single Stud Turn Signal and PB/ KW/FL/VL or non-make Turn Signals and any/all Strip Lights - Varies from 2 years to 10 years to Limited Lifetime, depending on specific item. The housing, bezel or mounting base on any light made from Chrome/Stainless carries a 6-month limited warranty.
- LED Beacon, Driving, Headlights, Work & Warning Lights - Varies from 6 months to 3 years. The housing, bezel or mounting base on any light made from Chrome/Stainless carries a 6-month limited warranty.
- All LED Accessory Lights (Honda, Stainless Steel Double/Single face Lights, Interior Lights, License Plate Lights, and any Accent Lights. The housing, bezel or mounting base on any light made from Chrome/Stainless carries a 6-month limited warranty.
- For any product that contains any type of light or LED, whether it is a stand-alone light or LED, or part of a larger assembled item (e.g., Rear light panel), modifying electrical wiring, sockets, lighting pigtails and any electrical connection from the original configuration will void the warranty of both wiring, pigtail and the light or LED unit and cannot be warranted.
- NOTE:** Dealers are responsible for shipping charges on warranty replacement items (Exemption: UP will cover shipping cost on Dropship replacement orders the first 12 months of original purchase date).

### Returns

#### General Policy

All returns must be authorized by UPI. All return requests must be faxed or e-mailed (returns@upauto.com).

An RMA number (Return Merchandise Authorization Number) will be provided. Returns not possessing a valid RMA number are subject to rejection and will be returned to sender at the dealer's expense. All dealers are encouraged to use the Warranty RMA Claim Form and Dealer Portal Dashboard.

#### Defective Goods / Warranty Return

UPI offers our dealers a No Hassle Warranty Return. Please follow the instructions below for requesting an RMA for defective goods:

1. If any warranty issues occur, simply contact the UPI for RMA number. To make it easy for you we have three acceptable methods for requesting the RMA.

- Dealer Portal Dashboard
- Email: returns@upauto.com
- Fax: 888-986-5988

**Note:** To ensure you receive a timely RMA credit, we cannot accept RMA requests by phone.

2. You will be required to provide the following information:

- Your business name
- Contact name and telephone number (in case we have questions)
- A list of the defective item number and quantity with the nature/reason of the defect
- Special instructions you have for us
- The enclosed fax form may be used for your convenience to request an RMA

3. UPI will review the request to ensure the products are within the stated warranty period.

4. Once we have validated the warranty items, an RMA confirmation, listing the items and cost will be faxed to the dealer within 3 business days. UPI will process the credit to your account within 30 days.

**Note:** The majority of the time there will be no need to return the warranty product to us. However, from time to time, UPI may require some warranty products to be shipped back so we may analyze the cause of the failure. All warranty products that are required to be shipped back will be freight prepaid by UPI.

**Note:** Customer must provide images and batch numbers if requested by UPI. If batch numbers and pictures requested by UPI are not received RMA will be put on hold until necessary images and information is complete.

**Note:** UP will cover shipping cost on Dropship replacement orders the first 12 months of original purchase date).

**Note:** Warranty information, such as pictures, batch numbers and defective reason must be provided to send a drop ship replacement.

## Returns / Closeout & Discontinue / Disclaimer

---

### Note for Drop Ship Dealers:

- Drop ship dealers must provide the purchase order number for each item.
- Drop ship accounts are only allowed 2 RMAs for new returns per month.
- United Pacific will not accept return item shipments sent from the end-user to United Pacific. All endusers must return the item to the dealer or retailer for consideration of return or credit.
- Drop Ship dealers will ensure that the items being returned to United Pacific are in re-stockable condition.

### Stock Return - USA Only

United Pacific Industries encourages all dealers to regularly monitor the sales volume and stock level of their inventory items. As sales trends may slow the movement of specific items, our hope is that those items are featured as "close-out specials" as to minimize stock returns. We also understand that the dealer, from time to time, may accumulate over-stock items and desire to return those. Therefore, we have adopted the following policy.

- Items must have been purchased by the United States dealer requesting the stock return.
- Items must have been purchased within the preceding 12 months.
- Items that have been discontinued will not be considered for return.

1. Contact the United Pacific for RMA number. We have 3 acceptable methods for requesting the RMA:

- Dealer Portal Dashboard
- Email: [returns@upauto.com](mailto:returns@upauto.com)
- Fax: 888-986-5988

**Note:** To ensure you receive a timely RMA credit, we cannot accept RMA requests by phone.

2. You will be required to provide the following information:

- Your business name
- Contact name and telephone number (in case we have questions)
- A list of the defective item number and quantity with the nature/reason of the defect
- Special instructions you have for us

3. Your claim will be reviewed within 5 business days, and you will be contacted by your sales representative who will discuss solutions to liquidate these slow-moving items.

4. In the event United Pacific and the dealer agree to a credit in lieu of returning the items, this credit will be issued within 10 business days.

5. In the event items are returned by the dealer, United Pacific will issue an RMA number to the dealer. Once the RMA is issued, the following conditions will apply:

- Returned items are subject to a 20% re-stocking fee.
- Return shipping costs are the responsibility of the dealer.
- Items must not have any retail/price sticker on exterior package/box/card, or they will be returned to the dealer at dealer's expense and no credit given.
- Items must be in good condition with original packaging intact, unblemished and in re-sellable condition, or they will be not eligible for return.
- If items are denied and dealer requests items returned to them, United Pacific cannot add the items to a pending stock order. Customer is responsible for the return freight.
- Dealer must approve denied items to be disposed of or returned to them within 14 days. After 14 days, denied items will be discarded with no credit to the dealer.
- Allow up to 30 days for the credit to be issued from the time the returned items are received.

6. Stock returns may be requested throughout the year and are subject to final approval by United Pacific.

### Closeout & Discontinue

UPI will not warranty or accept returns on Closeout/Discontinued items.

### Procedure:

An inventory of the merchandise being returned must accompany each return. The RMA number should be prominently displayed on each carton/box.

All Returns must be returned freight prepaid.

### Ship Returns to:

United Pacific Industries  
Attn: Returns Department  
3788 E. Conant St.  
Long Beach, CA 90808

### RMA:

Outstanding RMA's will be automatically canceled if not used within 30 days of issuance.

### Disclaimer

United Pacific Industries reserves the right to amend or update our Terms & Conditions, Policies, and Procedures without notice. United Pacific Industries is not responsible for typographical errors, product information inaccuracies, or graphic mistakes. Specifications in this catalog may be changed without advance notice. Products may appear different from those in the photos due to printing quality. For the latest updates on Terms & Conditions, Policies, and Procedures, log in to the dealer portal at [classic.upauto.com](http://classic.upauto.com).

### California Prop 65

These products can expose you to chemicals including acrylonitrile butadiene styrene, bisphenol and lead, chromium (hexavalent compounds), titanium dioxide, carbon black, diisononyl phthalate (dinp), Di(2-ethylhexyl)phthalate (DEHP) which is known to the State of California to cause cancer or birth defects or other reproductive harm.
