Dealers will receive their scheduled pick-up time in the order confirmation. Dealers should always call ahead to confirm when the order will be ready. Sorry, no same-day pick-up allowed.

Order Changes

United Pacific utilizes state-of-the art automated order fulfillment methods. This provides shorter lead-times and faster service. In some cases, however, changes to orders may not be possible due to the streamlining effect of the automation. Each request for an order change made by a dealer, however, will be evaluated on a case-by-case basis, although we can't guarantee to be able to accommodate all requests to change an order.

Address Corrections

Incorrect or incomplete shipping addresses for orders shipped via UPS Ground may result in a service charge of \$21.00 per package up to maximum of \$147.00 per shipment. For orders shipped by Fed Ex Ground \$22.50 per package up to maximum of \$67.50 per shipment. Any address correction fees imposed on United Pacific will be invoiced to the dealer, so dealers should always check shipping address for accuracy before submitting POs.

One SHIP TO Designation

Only one ship to location is permitted per purchase order. Combining multiple orders shipping to different locations to meet the prepaid minimum is not permitted.

Carrier Selection/Shipping Origin/Ancillary fees:

United Pacific reserves the right to select the carrier and shipping origin. United Pacific is not responsible to pay a carrier for extra services such as liftgate fee, unloading fee, pallet breakdown fee, customs/clearance fees, detention fee, re-routing fees, address correction fees, inside delivery fees or storage fees. Extra service fees charged by the carrier will be invoiced back to the dealer. Service fees may take up to 30 days to post. The current liftgate fee is \$85.00. United Pacific reserves the right to alter or modify this policy.

Carrier Delays

United Pacific is not responsible for, nor does United Pacific make any provision for, or offer of any restitution for, any delivery or transit delay once an order leaves their warehouse.

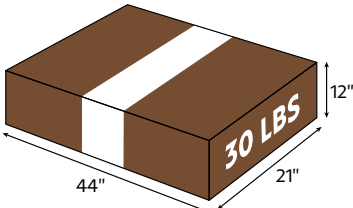

Shipping Considerations/Package Category/Definitions

- Length is always the longest side of the box/package.
- Width is the second longest side of the box/package.
- Height will be the shortest side of the box/package.
- Surcharges accessed by carriers will be added to the invoice.

Category: Ground/Parcel

Provided **ALL** package dimensions do not exceed the sizing criteria below, there should not be any surcharges accessed by carriers.

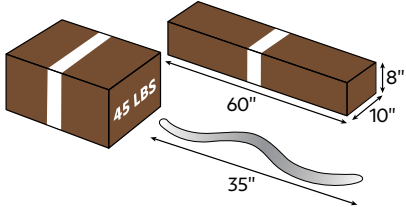

- If longest side of package is 48" or less.
- If second longest side of package is 30" or less.
- If weight of package does not exceed 50 lbs.
- All items must be shipped in cardboard box.

Category: Ground/Parcel with surcharge

If package dimensions exceed **ANY** of the sizing criteria below, there may be carrier surcharges added to standard shipping fees.

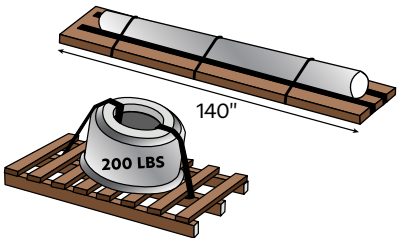

- If longest side of package between 49"-60".
- If second longest side is 31" or more.
- If length + girth of package is between 105in and 130". Example: on a box 80"x10"x8" formula is 80+10+10+8+8 = 106", so parcel surcharge applies.
- If weight of package is between 51-150 lbs.
- If item uses any package type instead of a standard cardboard box (i.e., plastic, wood pallet, styrofoam or shrink wrap) parcel surcharges apply.

Category: LTL Only

Ground/Parcel carriers WILL NOT accept packages that have ANY of the below sizing/weight criterion:

- If Longest side of packages is more than 108".
- If Length + Girth of package exceeds 165".
- If weight of package is over 150 lbs.

Stock Return - USA Only

United Pacific Industries encourages all dealers to regularly monitor the sales volume and stock level of their inventory items. As sales trends may slow the movement of specific items, our hope is that those items are featured as "close-out specials" as to minimize stock returns. We also understand that the dealer, from time to time, may accumulate over-stock items and desire to return those. Therefore, we have adopted the following policy.

- Items must have been purchased by the United States dealer requesting the stock return.
- Items must have been purchased within the preceding 12 months.
- Items that have been discontinued will not be considered for return.
