Terms & Conditions

Initial buy-in amount and/or quantity is to be determined by United Pacific Industries, UPI hereafter. All initial orders must be prepaid in advance by Cashier's Check or VISA/MC/AMX. All new/potential accounts must complete a UPI "New Dealer Info/Credit Form" and follow the Dealer Qualification Instructions. Upon completion of the credit application, approved accounts will be assigned payment terms of NET 30 Days (from invoice date). Accounts denied a credit line will be required to prepay in advance by Cashier's Check, ACH (Automated Clearing House) or Bank wire, or VISA/MC/AMX.

Payment Terms

Term Accounts: Accounts with NET 30 Days terms are required to submit payment within the 30 days from the date of invoice. Acceptable forms of payment include checks, ACH, or wire transfer.

A service charge of 1.5% per month will be imposed on invoices not paid within the 30-day term. Delinquent accounts will be required to pay CIA (Cash-In-Advance). Checks will be accepted but orders will not be released until the check is cleared by the bank. Past due invoices will delay current orders. Please check with UPI on your account status when placing an order.

Credit Cards

Accounts denied credit terms may be offered the option to pay by Visa, MasterCard or American Express. The credit card will be charged upon shipment. A 3% service fee will be added to the invoice. Credit card payments will not be accepted once an order has been shipped. UPI does not accept Discover card.

COD

There is no COD payment offered.

Returned Checks

A \$30.00 NSF (Non-Sufficient Fund) fee will be assessed on each incidence a check is returned to UPI.

Ordering Guidelines

Placing Orders

New orders and PO's may be placed by any of the following methods:

- Dealer Portal
- Fax: (888) 986-5988
- E-mail: sales@upauto.com
- Telephone: In order to minimize errors, dealers are encouraged to submit their orders by fax or email. Telephone orders are generally not preferred as to minimize errors. Utilize one of the methods above for placing orders.

Changes to Orders

Once orders are released for picking changes are no longer possible. Dealers will have to submit a new PO for any additional items needed.

Canceling Orders

Cancellation of Stock orders must be submitted via fax or email within 24 hours of the order date. If the Stock order has already shipped it will be the dealer's responsibility to return the order at the dealer's own expense. A restocking fee may apply, please see "Return" policy for further detail. Drop Ship orders cannot be canceled due to the priority processing.

Backorders

Dealers have the option of having their backorders shipped or canceled. UPI will notify dealer as to availability of backorders and will be able to ship any backorder items dealer still needs as part of their next stock order. UPI reserves the right to cancel backorders that are 2 month or older from invoice date.

Minimum Order

A minimum order of \$50.00 is required. Orders below \$50.00 will be assessed a minimum order fee of \$10.00.

Packaging

A 10% service charge will be added to orders with special packaging or UPC barcoding requirements.

Lead Times

Standard lead time for all United Pacific Stock orders is 5 business days from the receipt of the purchase order. Larger Stock orders may require a lead time of up to 7 business days. Drop Ship orders generally ship in 2 business days or less. Transit time of 3-5 business days must be considered when placing orders. UPI cannot be responsible for delays in shipment after an order leaves our warehouse. UPI will work to resolve delays with freight forwarding firms, however, delays do arise from time to time due to weather and unforeseen circumstances beyond UPI's control. Express orders are exempt; please view Freight/Shipping Policy for further detail.

Order Confirmation

United Pacific will acknowledge receipt of orders by email or EDI (Electronic Data interchange) within 1 business day of receiving the PO. If confirmation is not received, please contact UPI to ensure your order was received.

Freight Policy

Shipping Origin - 2 Locations

United Pacific has two warehouses: Long Beach, California, and McKinney (Dallas), Texas. A dealer's orders are automatically assigned to a "primary" warehouse based on the "ship to" state. To see your dealership's primary warehouse, log-on to the Dealer Portal and look at the top right-hand corner.

If California

If Texas

Stock Orders for US and Canada

A dealer's order will be shipped from their "primary" warehouse. The dealer's "ship to" state designates the primary warehouse. United Pacific does not split ship orders (e.g., shipping some items from one warehouse and some items from another).

Freight Policy

Stock Orders for International, AK, HI

Orders to locations outside the continental United States will be shipped to the dealer's shipping agent or broker within the continental United States in accordance with the US freight policy. The US state where the dealer's freight forwarder/broker is located designates the primary shipping warehouse. United Pacific does not split ship orders (e.g., shipping some items from one warehouse and some items from another). NOTE: International dealers will be responsible for the duties and taxes of their respective country.

Drop Ship Orders

Drop ship service is only available for orders with a ship to address within the 48 US States. A 5% handling fee will be added to all drop shipment orders. Drop ship orders will be assigned to the warehouse which is closer to the "ship to address/state" on the order. In some cases, United Pacific may re-assign a drop ship order to the alternate warehouse if inventory is not available at the primary warehouse. United Pacific does not split ship drop ship orders. No freight allowance or prepaid freight will be permitted for any drop shipment. Thus, all drop ship orders regardless of order size, are either FOB Long Beach, California or FOB McKinney, Texas. All drop shipment orders must be submitted via the dealer portal, emailed, faxed, or via EDI.

Express Orders

All express orders, such as Next Day, Second Day, 3 Day Service & Will Call, must be submitted via email, faxed, or via EDI. No freight allowance or prepaid freight will be permitted for any express NDA, 2-day or 3-day, Special Net Pricing orders, and Special Quote Pricing orders will be either FOB Long Beach, California or FOB McKinney, Texas, depending on shipping origin. Order confirmation will be sent to the dealer for final approval. If confirmation is not received, please contact UPI to ensure your order was received. Dealers are required to approve express order confirmation & shipping costs. Cut off for an express order from Long Beach is 10:00AM PST. Express orders received after the cutoff times will ship the next business day. Due to the high cost of express shipments, a dealer may request United Pacific to notify them of freight charges. If a dealer does not request confirmation, United Pacific will ship the express order and invoice the dealer for shipping charges.

Prepaid Freight - General

Freight costs on orders less than the prepaid minimums or express orders will automatically be added to the invoice. A dealer may request for their 3rd party shipping account to be used for freight charges. Any accessed freight charges or service fees imposed will be added to the invoice.

Prepaid Freight - Minimum Amount

Orders shipped from dealer's PRIMARY warehouse:

- Stock orders between \$.01 and \$1,999.99 (US Lower 48 States and Canada), \$.01 and \$3,299.99 (Alaska and Hawaii) - all prices net US\$ - shipped by the dealer's PRIMARY warehouse will be FOB freight collect and freight charges will be added to the invoice. Stock orders of \$2,000.00 (US Lower 48 States and Canada), \$3,300.00 (Alaska and Hawaii) - all prices net US\$ - or more, will be shipped Freight Prepaid Ground to a single location only.

Orders shipped from dealer's ALTERNATE warehouse:

- Stock orders between \$.01 and \$2,499.99 (US Lower 48 States and Canada), \$.01 and \$3,799.99 (Alaska and Hawaii) - all prices net US\$ - shipped by the dealer's ALTERNATE warehouse will be FOB freight collect and freight charges will be added to the invoice. Stock orders of \$2,500.00 (US Lower 48 States and Canada), \$3,800.00 (Alaska and Hawaii) - all prices net US\$ - or more, will be shipped Freight Prepaid Ground to a single location only.

Minimum Order Fee

A minimum order of \$50.00 is required. Orders below \$50.00 will be charged a minimum order fee of \$10.00, which will be added to the invoice.

Will Call service only applies to stock orders; drop ship orders not permitted for Will Call. Will Call orders can be picked up in 1-3 days after placing the order. Dealers will receive their scheduled pick-up time in the order confirmation. Dealers should always call ahead to confirm when the order will be ready. Sorry, no same-day pick-up allowed.

Will Call Orders - McKinney, Texas

Will Call pickup hours are 8:30AM - 4:00PM CST. No payments of any type are permitted. Account must be on open terms and have no past due balance. Will Call service only applies to stock orders; drop ship orders not permitted for Will Call. Will Call orders can be picked up in 1-3 days after placing the order. LTL Will Call

- Allow 3-4 business days from date order is submitted for to order to be ready.
- Pick-up date/time should be scheduled and confirmed by the dealer or party picking up.
- Contact United Pacific customer service to schedule the LTL Will Call.

Order Changes

United Pacific utilizes state-of-the-art automated order fulfillment methods. This provides shorter lead-times and faster service. In some cases, however, changes to orders may not be possible due to the streamlining effect of the automation. Each request for an order change made by a dealer, however, will be evaluated on a case-by-case basis, although we can't guarantee to be able to accommodate all requests to change an order.

Address Corrections

Incorrect or incomplete shipping addresses for orders shipped via UPS Ground may result in a service charge of \$21.00 per package up to maximum of \$147.00 per shipment. For orders shipped by Fed Ex Ground \$22.50 per package up to maximum of \$67.50 per shipment. Any address correction fees imposed on United Pacific will be invoiced to the dealer, so dealers should always check shipping address for accuracy before submitting POs.

One SHIP TO Designation

Only one ship to location is permitted per purchase order. Combining multiple orders shipping to different locations to meet the prepaid minimum is not permitted.

Carrier Selection/Shipping Origin/Ancillary fees:

United Pacific reserves the right to select the carrier and shipping origin (e.g., "primary") warehouse. United Pacific is not responsible to pay a carrier for extra services such as liftgate fee, unloading fee, pallet breakdown fee, customs/clearance fees, detention fee, re-routing fees, address correction fees, inside delivery fees or storage fees. Extra service fees charged by the carrier will be invoiced back to the dealer. Service fees may take up to 30 days to post. The current liftgate fee is \$85.00. United Pacific reserves the right to alter or modify this policy.

Carrier Delays

United Pacific is not responsible for, nor does United Pacific make any provision for, or offer of any restitution for, any delivery or transit delay once an order leaves their warehouse.

Shipping Considerations/Package Category/Definitions

- Length is always the longest side of the box/package.
- Width is the second longest side of the box/package.
- Height will be the shortest side of the box/package.
- Surcharges assessed by carriers will be added to the invoice.

Category: Ground/Parcel

Provided **ALL** package dimensions do not exceed the sizing criteria below, there should not be any surcharges assessed by carriers.

- If longest side of package is 48" or less.
- If second longest side of package is 30" or less.
- If girth of package is 105" or less
- If weight of package does not exceed 50 lbs.
- All items must be shipped in cardboard box.

Category: Ground/Parcel Oversize

If package dimensions exceed **ANY** of the sizing criteria below, there may be carrier surcharges added to standard shipping fees.

- If longest side of package between 49" - 96".
- If second longest side is 30" or more.
- If length + girth of package is between 105in and 130". Example: on a box 80"x10"x8" formula is $80+10+10+8+8 = 106'$, so parcel surcharge applies.
- If weight of package is between 51-150 lbs.
- If item uses any package type instead of a standard cardboard box (i.e., plastic, wood pallet, styrofoam or shrink wrap) parcel surcharges apply.

Category: LTL Only

Ground/Parcel carriers WILL NOT accept packages that have ANY of the below sizing/weight criterion:

- If Longest side of packages is more than 96".
- If Length + Girth of package exceeds 130".
- If weight of package is over 150 lbs.

Stock Return - USA Only

United Pacific Industries encourages all dealers to regularly monitor the sales volume and stock level of their inventory items. As sales trends may slow the movement of specific items, our hope is that those items are featured as "close-out specials" as to minimize stock returns. We also understand that the dealer, from time to time, may accumulate over-stock items and desire to return those. Therefore, we have adopted the following policy.

- Items must have been purchased by the United States dealer requesting the stock return.
- Items must have been purchased within the preceding 12 months.
- Items that have been discontinued will not be considered for return.

1. Contact the United Pacific for RMA number. We have 3 acceptable methods for requesting the RMA:

- Dealer Portal Dashboard
- Email: returns@upauto.com

4. In the event United Pacific and the dealer agree to a credit in lieu of returning the items, this credit will be issued within 10 business days.

- Returned items are subject to a 20% re-stocking fee.
