United Pacific

Reliable. Hardworking. Quality products.

# UNITED PACIFIC STAINLESS FENDER PROFILES

Introducing the premier line of commercial truck fenders from United Pacific, meticulously designed to meet the diverse needs of every trucker with unmatched style and durability. Choose from the sleek, high-polish **SS Series**, the distinctively edged **SE Series**, or the robust, flat-ribbed **SR Series**, tailored for vocational use—each designed to provide superior protection and aesthetic appeal. Manufactured from 430 stainless steel in 16 or 18 gauges and compatible with 43" to 46" diameter tires, our fenders are backed by a solid 1-year warranty. Boost your sales with United Pacific's Stainless Steel Fenders, crafted for excellence to ensure each truck not only performs superbly but also commands attention on the road. Complemented by your choice of Standard Duty or Heavy Duty mounting kits for installation.

WARRANTY

## SS Series

A high-quality, high-polish fender with a smoothly rolled form edge, designed for the most discerning of operators.

## SE Series

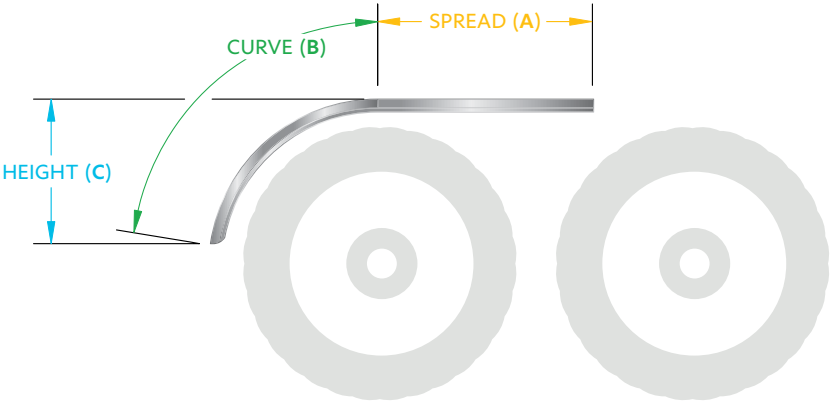

Features the same high-quality, smooth finish as the SS Series but includes a unique edge to distinguish your rig.

## SR Series

A flat, four-ribbed design ideal for vocational and working trucks seeking the durability of high-quality stainless steel with a conventional look.

# SS SERIES

- 16 Gauge / 430 High Polished / Smooth Stainless Steel
  - Rolled and Polished Edge
  - Compatible with 43" or 46" Dia Tires
- Sold in Pairs
  - 1 Year Warranty
